OHV Program GIA Allowable Costs Equipment and Labor
February 2015

The rates on this OHV Program GIA Allowable Costs Rates covers all costs for operation of equipment, depreciation, overhead, all maintenance, field repairs, fuel, lubricants, tires, OSHA equipment and other costs incidental to operation. Standby equipment costs are not eligible. Equipment must be in actual operation performing eligible work in order for reimbursement to be eligible. Rates for equipment not listed will be furnished by DNR upon request.
