GOAL STATEMENT

Sale and Exchange of Property and Boundary Waters Canoe Area (BWCA) Subcommittee -
Permanent School Fund Advisory Committee

The goal of this Subcommittee is to provide advice to the Minnesota Department of Natural Resources on how:

- 1.) The sales of school trust lands can be managed more efficiently, by reducing expenditures and maximizing revenue.
- 2.) The exchanges of school trust lands can be managed more efficiently, by reducing expenditures and maximizing revenue.
- 3.) The school trust lands within the BWCA can be handled so that revenue can be generated for the school trust.
- 4.) To better manage the school trust lands to maximize long-term economic return while maintaining sound natural resource conservation and management principles.
