

**Proposed Land Exchange
Between
State of Minnesota and
U. S. Forest Service**

The Forest Service uses the most current and complete data available. Geographical Information System (GIS) data and product accuracy may vary from map to map. Data and maps may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation other than those for which they were created, which may yield inaccurate or misleading results. The Forest Service reserves the right to correct, modify or replace GIS products without notification. The Forest Service will not be liable for any activity involving this information.

The USDA Forest Service is an equal opportunity provider.
