PART 3: ALL ACTIVE LEASES THAT INVOLVE SCHOOL TRUST LANDS AS OF 12/22/09

NOTES:

(1) Leases may remain active even after their expiration date if they are being considered for renewal or are in the process of being renewed. The leases listed here have CRSTAT=" " in LNDLIB\LCNTRP1.

(2)The effective date listed is either the initial day of the lease, or the date it was most recently renewed. Status code 76 (Completed/filed) is listed in the final column for most leases. If that date is prior to the effective date, the effective date indicates the date of renewal. (If a contract got more than one 76 code, the date shown is for the initial occurrence.)

(3) Easements, licenses and permits are not included in this list.

(4) Contracts may involve more than one land type; the final column lists those that involve land types other than school trust.)
