RE: Conservation Partners Legacy Grant Program  
Contract #:  
Project Name:

The following is an analysis of increased operations and maintenance costs likely to be incurred by public entities as a result of an acquisition of land funded through the Outdoor Heritage Fund and how these costs may be paid for as required by Minnesota Statute 97A.056.

| Need | Time Frame | Cost | Anticipated Funding Source |
|------|------------|------|----------------------------|
|      |            |      |                            |
|      |            |      |                            |
|      |            |      |                            |
|      |            |      |                            |
|      |            |      |                            |
|      |            |      |                            |
