

Campground / Marina Rental Policy
MN DNR Local Grants Programs

1. An equitable method of allocating long-term rentals shall be used. Allocation methods shall include: (a) annual lotteries, or (b) posted waiting lists where spaces are filled in the order of receipt of applications, or (c) another method selected by the grant recipient that responds to local conditions and equitably allocates available spaces. In each instance, adequate public notice shall be provided announcing the availability of space and describing application procedures. The grant recipient shall determine the most equitable method under which renters may compete for future vacancies.
2. Spaces shall not be transferable.
3. An appropriate percent of the spaces shall be available for short term rental.
4. All personal property and fixtures must be removed at the end of each use season.
