

## Acknowledgments

*Tomorrow's Habitat for the Wild and Rare: An Action Plan for Minnesota Wildlife* is the result of the hard work of many wildlife and natural resource professionals. The CWCS Project Management Team\* would like to acknowledge and offer sincere thanks for their dedication to rare wildlife management and to the creation of this Strategy.

We have listed below many of the people who helped, both formally and informally, with development and review of the 2005 CWCS. Thank you.
