

## **Metro Greenways 2008 Community Conservation Assistance Grants Project Profile**

Project Name: ***Natural Resource Inventory for Twelve Mile Creek Watershed***

Geographic Context: ***Twelve Mile Creek Watershed – Wright County (SWCD sponsor)***

Project Contact: *Joe Jacob, Wright SWCD Water Resource Specialist* Phone 763-682-1970  
Email: [Joe.Jacobs@mn.nacdnet.net](mailto:Joe.Jacobs@mn.nacdnet.net)  
Website link: <http://www.wrightswcd.org/>

Grant Amount: \$20,000

---

**Project Goal: *Conduct a natural resource inventory using MLCCS level 4/5 and the quality modifier to identify high value natural resource areas and connections in the Twelve Mile Creek Watershed***

**Project Outcome: *The project is still in progress. The inventory has been completed.***

### **Project Overview:**

The results of this inventory will identify the natural resource communities and their condition. This data will inform the following efforts currently underway or planned:

- The Wright County Land Use Plan
- Watershed modeling
- Target best management practices identified in the TMDL plan for this area
- Educate the land use technical committee
- Educate citizens
