

Organized Group Tours at Soudan Underground Mine State Park Podcast

Soudan Underground Mine State Park is open to groups year round. If you are a school or organized group and you are interested in a tour of the mine, please call the park office at 218-753-2245 to make a reservation.

During the off-season, which is Oct to Memorial weekend, we have flexibility in our starting and ending times. We can accommodate tours as early as 8:00 am and as late at 4:00 pm. Weekday tours work best, but if a group needs a tour on a weekend, we may be able to accommodate that as well. There is a higher cost for weekend tours.

We offer discounted rates for those groups that make a reservation at least 15 days prior to the tour. A group is considered to be 10 or more paying individuals. If you have less than 10 people, you can still make a group reservation with us, but you will be required to pay for 10 individuals.

Families looking to make a reservation during our regular tour season, which is Memorial Day weekend to the end of September, should call our reservation center at 1-866-857-2757. There is a fee for making this reservation.

If you would like more information on the types of tours we offer, please listen to the podcast entitled tour options. We look forward to your visit.
