# Birding Opportunities at Judge C. R. Magney State Park

Judge C. R. Magney State Park is a large, wilderness park that stretches inland from the shores of Lake Superior along the Brule River and contains over 4500 acres of mainly boreal habitat. Twenty-one species of warblers are present in the park, most of them breeding. The park is especially noted for the presence of many northern parula warblers. The mouth of the Brule River is an excellent place to find common loons as well as horned and red-necked grebes in the spring and, in the fall, many species of waterfowl including scoters, mergansers and long-tailed ducks.

## Season and Abundance Key

The **seasons** in the checklist are defined as follows:

**Sp** (Spring) = March, April, May

**Su** (Summer) = June, July

**Fa** (Fall) = August, September, October, November

**Wi** (Winter) = December, January, February

**Abundance codes** are defined as follows:

**C** = Common — present, relatively easy to find

**U** = Uncommon — observed, may be difficult to find

**O** = Occasional — may or may not be present in any year

**R** = Rare — has occurred at least once, may or may not be expected to recur

The names and taxonomic arrangement of species follows that of the Checklist of the Birds of Minnesota (January, 2001), prepared by the Minnesota Ornithological Records Committee.

This checklist contains the names of all birds that have been documented in the park by reliable observers. It was constructed by Robert B. Janssen and the MN DNR-Division of Parks & Recreation using observations of Mr. Janssen, park staff and other observers, as well as Minnesota Ornithologist's Union records and data contained in research reports. If you are interested in the specific sources used for a particular park, contact the Parks Division Resource Management Program Coordinator by telephone at 651-297-1158 or by mail at MNDNR-Parks, 500 Lafayette Road, Box 39 St. Paul, MN 55155-4039.

\*Equal opportunity to participate in and benefit from programs of the Minnesota Department of Natural Resources is available to all individuals regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, age, sexual orientation, membership or activity in a local commission, or disability. Discrimination inquiries should be sent to the Minnesota Department of Natural Resources, 500 Lafayette Road, St. Paul, MN 55155-4031; or the Equal Opportunity Office, Department of the Interior, Washington, D.C. 20240.\*

This document is available in alternative formats to individuals with disabilities by calling 651-297-1158.
