December 2002

Birding Opportunities at Rice Lake State Park

Rice Lake State Park contains a combination of lake, marsh, prairie and woodland habitats. The lake is excellent for viewing waterfowl and other waterbirds. Marshes surrounding the lake are prime habitat for birds such as rails, least bittern, swamp sparrows, marsh wrens and yellow-headed blackbirds. Flycatchers, such as eastern wood pewee and great crested flycatcher, plus woodpeckers, wild turkeys, Baltimore orioles, rose-breasted grosbeaks and American redstarts, use the woodland habitat. The prairie and edge areas provide habitat for eastern meadowlarks, bobolinks, willow flycatchers and sparrows.

Season and Abundance Key

The **seasons** in the checklist are defined as follows:

Sp (Spring) = March, April, May

Su (Summer) = June, July

Fa (Fall) = August, September, October, November

Wi (Winter) = December, January, February

Abundance codes are defined as follows:

C = Common — present, relatively easy to find

U = Uncommon — observed, may be difficult to find

O = Occasional — may or may not be present in any year

R = Rare — has occurred at least once, may or may not be expected to recur

The names and taxonomic arrangement of species follows that of the Checklist of the Birds of Minnesota (January, 2001), prepared by the Minnesota Ornithological Records Committee.

This checklist contains the names of all birds that have been documented in the park by reliable observers. It was constructed by Robert B. Janssen and the MN DNR-Division of Parks & Recreation using observations of Mr. Janssen, park staff and other observers, as well as Minnesota Ornithologist's Union records and data contained in research reports. If you are interested in the specific sources used for a particular park, contact the Parks Division Resource Management Program Coordinator by telephone at 651-297-1158 or by mail at MNDNR-Parks, 500 Lafayette Road, Box 39 St. Paul, MN 55155-4039.

Equal opportunity to participate in and benefit from programs of the Minnesota Department of Natural Resources is available to all individuals regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, age, sexual orientation, membership or activity in a local commission, or disability. Discrimination inquiries should be sent to the Minnesota Department of Natural Resources, 500 Lafayette Road, St. Paul, MN 55155-4031; or the Equal Opportunity Office, Department of the Interior, Washington, D.C. 20240.

This document is available in alternative formats to individuals with disabilities by calling 651-297-1158.
