## ST. CROIX STATE PARK

Date:
Weather:
Observers:
Notes:

Minnesota Department of Natural Resources Division of Parks & Recreation

DNR Web Site: www.dnr.state.mn.us

March 2004

## Birding Opportunities at St. Croix State Park

St. Croix State Park is Minnesota's largest state park with over 33,000 acres of woodlands, streams, rivers and swamps. This woodland and stream habitat provides excellent areas for migrating and breeding species of warblers, vireos, flycatchers, thrushes and sparrows. The rare Louisiana waterthrush reaches the northern limit of its range along the St. Croix River at the park. The woodlands also provide prime habitat for whip-poor-wills, American woodcock, ruffed grouse, barred owl and long-eared owl. Winter finches such as pine and evening grosbeak, pine siskin, common redpoll and purple finch are present each winter.

## Season and Abundance Key

The *seasons* in the checklist are defined as follows:

- Sp (Spring) = March, April, May
  Su (Summer) = June, July
  Fa (Fall) = August, September, October, November
- Wi (Winter) = December, January, February

## Abundance codes are defined as follows:

- **C** = Common present, relatively easy to find
- U = Uncommon observed, may be difficult to find
- O = Occasional may or may not be present in any year
- **R** = Rare has occurred at least once, may or may not be expected to recur

The names and taxonomic arrangement of species follows that of the Checklist of the Birds of Minnesota (January, 2001), prepared by the Minnesota Ornithological Records Committee.

This checklist contains the names of all birds that have been documented in the park by reliable observers. It was constructed by Robert B. Janssen and the MN DNR-Division of Parks & Recreation using observations of Mr. Janssen, park staff and other observers, as well as Minnesota Ornithologist's Union records and data contained in research reports. If you are interested in the specific sources used for a particular park, contact the Parks Division Resource Management Program Coordinator by telephone at 651-297-1158 or by mail at MNDNR-Parks, 500 Lafayette Road, Box 39 St. Paul, MN 55155-4039.

<sup>1</sup>Equal opportunity to participate in and benefit from programs of the Minnesota Department of Natural Resources is available to all individuals regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, age, sexual orientation, membership or activity in a local commission, or disability. Discrimination inquires should be sent to the Minnesota Department of Natural Resources, SoU Largvette Road, St. Paul, MN 55155-4031; or the Equal Opportunity Office, Department of the Interior, Washington, D.C. 20240.<sup>\*</sup>

This document is available in alternative formats to individuals with disabilities by calling 651-297-1158.
