Wild River State Park

St. Croix Puzzlecache

The St. Croix Puzzlecache is a multi-stage geocache that will lead you around Wild River State Park's River Terrace Loop (walking distance ≈1.5mi). There are 5 stages before you reach the actual cache box. At each stage, there is a laminated half sheet of paper hidden that includes a clue to give you a piece of the final cache coordinates, as well as the coordinates to the next stage. **You should remain on designated park trails for the entire cache. Happy Caching!**
