Help Stop Aquatic Hitchhikers

ATTENTION BOATERS

BEFORE launching ... BEFORE leaving you must:

• Clean aquatic plants, zebra mussels, and other prohibited invasive species.
• Drain all water, remove the drain plug, and leave all water-draining devices open.
• Dispose of unwanted live bait in the water or on the ground.

It’s the Law ... You May Not:

• Transport aquatic plants, zebra mussels, or other prohibited species.
• Launch a boat or place a trailer in the water if it has aquatic plants, zebra mussels, or other prohibited or regulated species attached.

Penalties up to $1,000 - Call a Conservation Officer to report violations
