

## Permitted Wildlife Rehabilitators in Minnesota

It is generally best to contact wildlife rehabilitators in advance.

Not only can they help determine if an animal needs rescue and how to achieve a safe rescue, but some rehabilitators limit the species that they accept.

Wildlife rehabilitators are not required to accept animals from the public

If a rehabilitator does not have contact information listed, they do not accept animals from the public.

County	Class Expiration	Wildlife Rehabilitator	Email Phone	Address	Animals Allowed	Migratory Birds Allowed	Threatened or Endangered Species Allowed
