

Using the Minnesota Hunting and Trapping Regulations Handbook and Waterfowl Handbook

Directions: Write in the answers as directed. Bring the completed assignment to your Field/Exam Session.

Use the most current *Minnesota Hunting and Trapping Regulations Handbook* and the *Waterfowl Handbook* to find the answers to questions 1-13 related to hunting in Minnesota. Secure a copy of the handbooks or view them on the web at www.dnr.state.mn.us/regulations/hunting/index.html.

The objectives of this activity are for the student to:

- (1) Learn where hunting laws and regulations for Minnesota can be found; and,
- (2) Begin learning the laws and regulations associated with hunting in Minnesota.

Minnesota has an abundance of wildlife species that can be hunted. Laws and regulations provide for maximum hunting opportunities, safety and fair chase. The laws and regulations that provide abundant hunting opportunities to Minnesota's hunters need to be learned, understood, and followed by all who hunt. Those who follow the laws and regulations will have a quality hunt and continue the great Minnesota hunting heritage.

Paraphrase the answer; do not copy word for word. Use a separate sheet of paper if necessary.

NOTE: A question may have the answer located on more than one page in the handbook. List the page(s) where the answer is found.
