

"RURAL HOMEOWNER SAFETY"  
WILDFIRE PSA  
:30  
2004

**LADY 1:** Oh Catherine, what a great place!

**CATHERINE:** Yup, our own little cabin in the woods

**ANNCR:**

You've invested a lot of money in your home.

Now invest just a little time to keep it safe from fire.

Wildfires travel fast, and can destroy your home in a matter of seconds.

So create a protection plan for your property. Water your lawn to create a moisture barrier. Prune trees and stack firewood away from the house.

Clear away leaves, brush and pine needles.

And when you're done, why not compost that material instead of burning?

Plan, prune and protect.

**TAG:**

Help Smokey Bear celebrate his 60<sup>th</sup> birthday.

Prevent Wildfires.

Brought to you by the Great Lakes Forest Fire Compact.
