Ms. Fox, a report from the balloon committee, please.

Ric: Very good. Invitation committee?

Animal #2: Got 'em! They're all ready to be stamped and mailed.

Ric: Cake committee?

Animal #3: We met with the baker and he's throwing in the 60 candles for free!

All: Gasp, murmur "candles! Why we can't have flames and fire!"

SFX: GAVEL

Ric: Settle down all of you! Have you not heard what Smokey has been telling us all these years? [IMITATES DEEP SMOKEY VOICE] "Only you can prevent wildfires." That means that we can have fire...if we use it carefully.

Animal #1: ...and if we have a bucket of water handy.

Animal #2:and a shovel!

Animal #3: and make sure the fire is OUT!!

All: "Dead Out!!!!!"

SFX: Cheers & applause
