Walking Trails
· Signs or gates indicate this closure.

Signed and maintained routes for ATV and OHM use that may use system and minimum maintenance forest roads for connections to local points of interest and facilities.

Proactive Closures
· Counties are responsible for permissible uses on these routes.
· Width and route surface varies. All routes depicted may not be passable for all types of uses.
· Illegal to operate a vehicle on these routes in a manner that causes erosion, rutting, or injuries, or that damages or destroys trees or growing crops (MN Rules 6100.1950 Subpart 7A).

Non-designated Routes
· Will be signed "Road may be impassable. Travel at your own risk."
· Caution is recommended when traveling, low-clearance highway vehicles may not be suited for use on these roads.
· May be graveled or native soil surfaced.

Minimum Maintenance Forest Roads:
· Some on Wildlife Management Area lands are signed as closed to off-highway vehicles.
· Minimum width of 14 feet or 1 ½ to two lanes wide, so highway-licensed vehicles can easily meet.
· Are not considered "public highways," and the resource agencies are not "road authorities."

OHV: Off-Highway Vehicle, a generic term that includes ORV, ATV, and OHM, but not HLV.

OHM: Off-Highway Motorcycle

HLV: Highway-Licensed Vehicle

Wildlife Management Areas
· Access is allowed to designated access routes, which are posted and signed by the area manager.
· Permits are required for some limited activities.
· Controlled burns are conducted on a controlled basis, at the discretion of the area manager.
