Public Comment Form Proposed Trail Revisions in Bear Island, Burntside, Insula Lake, Lake Isabella, Lake Jeanette and Sturgeon River State Forests

In order to adaptively manage the trail system within above State Forests, the Department of Natural Resources is revising the trail management plan for the Forests. We invite your comments to better understand the current uses and what changes users would like to see. If you are commenting on a specific area, please include the forest name and location description as detailed as possible.

How do you use the State Forest trails? (Check all that apply)

Accessing Private Property Bird Watching Horseback Riding Off Highway Motorcycles Trapping	Fishing Access Hunting Access Off Road Vehicles Other (please explain)	Hiking Mountain biking Snowmobiling
