## General Information:

- One photo covers about 2-1/4 x 2-1/4 miles.
- Unenlarged scale is approx. 1:15,840 or 4"/mile.
- Photos are taken in stereoscopic coverage on North-South flight lines with approx. 60% endlap and 30% sidelap.
- Photos are prints made from infrared sensitive film. Please note: your area of interest may not be located in the exact center of a photo.
- A portion of a photo may be enlarged to a 12"x12" or larger.

## Prices:

Size	Approx. Scale	Price per Unit			
		1-5	6-19	20-199	200+
