When camping in state forests, please:

- Use existing camping areas.
- Do not cut or damage trees and other plants.
- Light fires only within fire rings and charcoal grills in state forest designated-use areas. Do not leave fires unattended, and extinguish all fires before leaving. Don't burn household refuse.
- Protect our state forests — don't move firewood. Wood that is dead and lying on the ground may be gathered for campfire use onsite.
- Use toilets where available. In areas without toilets, bury human waste.
- Remove all rubbish and keep your campsite clean and tidy.
- Keep dogs and other pets under control at all times.
