#### STATE FOREST RULES

State forest lands are generally open for all types of outdoor recreation including, hunting, fishing, trapping, hiking, and picking fruit and mushrooms. Rules and laws regulate some activities on forest lands. A partial list is included below. A complete list is available from the Department of Natural Resources.

- Firewood** -Dead wood may be gathered for campfires on site. Cutting or removing wood or forest products for home or commercial use requires a permit.
- Campfires** -Recreational fires of less than 3 ft. diameter, in an area cleared of combustible materials for 5 ft. around the fire, do not require a permit. Other open burning is regulated by permit.
- Firearms** -Firearms may be discharged in compliance with the law on forest lands that are not posted closed. Firearms must be unloaded and cased while in and within 200 feet of a forest recreation area (campground, day use area, parking area, etc.)
- Camping** -Camping on forest lands outside of developed campgrounds is permitted with some conditions. See complete rules.
- Personal property** -Personal property may not be left or positioned so as to obstruct use of a road or trail. Personal property left unattended for 14 days shall be deemed abandoned.

**Special rules apply in forest campgrounds and day use areas. They are not included here.**

#### SNOWMOBILE LAWS

Alcohol, nighttime driving, and high speeds are the main causes of snowmobile fatalities. Conservation Officers remind snowmobilers:

- Operating a snowmobile while intoxicated is unlawful.
- 50 miles per hour is the maximum legal speed for snowmobiling on frozen public waters and DNR controlled lands (conditions permitting, when no other restrictions apply).

For complete legal information see "Minnesota Snowmobile Safety Laws, Rules and Regulations" available from DNR Information Center and DNR Licensing Bureau.
