- Lakes: Lake Superior, Lake Superior, and Lake Superior
- Areas: Downtown, Duluth, and Superior

**Fishing Regulations and Licensing**
- All persons 16 years and older are required to have the appropriate license when fishing. Licenses are available through the DNR Information Center. Call the DNR License Bureau at (612) 657-3908.

**Selective Harvest Fishing**
- Fishing for walleye, northern pike, and bighead carp is limited to four per day, with the possession limit set at 12 per year. No person may harvest or possess more than the bag and possession limit in one day.

**Fish Consumption Advisory**
- The Minnesota Department of Health advises limiting fish consumption for women of childbearing age and children under age 15, and for people with health conditions that might be affected by the presence of contaminants. The Mississippi, Minnesota, and St. Croix rivers are the primary sources of concern.

**Fishing Piers Are Fun for the Whole Family!**
- Fishing piers provide anglers an opportunity to take some fish home while releasing catching. Trout fishing requires a trout stamp. Call the DNR Information Center for information on prices and availability.

**Fishing Pier Resources**
- Fishing pier resources include state and federal lands, as well as private lands and public access points. For more information, visit the DNR website at www.dnr.state.mn.us/fishing.
