"What Else Is Coming Our Way?" panel photos by Deborah Rose, MN DNR  
Additional EAB photos on poster back: Pennsylvania Dept. of Conservation and Natural Resources-Forestry Archive, Bugwood.org

Equal opportunity to participate in and benefit from programs of the Minnesota Department of Natural Resources is available to all individuals regardless of race, color, creed, religion, national origin, sex, marital status, public assistance status, age, sexual orientation, disability, or activity on behalf of a local human rights commission. Discrimination inquiries should be sent to Minnesota DNR, 500 Lafayette Road, St. Paul, MN 55155-4049; or the Equal Opportunity Office, Department of the Interior, Washington, DC 20240.

This information is available in an alternative format upon request.

Printed on 50 percent recycled, elemental chlorine-free paper containing a minimum of 30 percent postconsumer waste and manufactured using an acid-free process. This poster is printed on paper certified by the Forest Stewardship Council, which ensures that the paper came from wood grown in an environmentally responsible, socially acceptable, and economically viable forest.

Originally printed in 2009; revised in 2011.
