

MN TAXA Plant Species County Maps

These draft county distribution maps for all plant taxa reflect vouchered specimens present in herbarium collections at the University of Minnesota Herbarium/Bell Museum of Natural History on the St. Paul campus, and select plant families (Cyperaceae, Orchidaceae, and ferns) from the Olga Lakela Herbarium at University of Minnesota Duluth.

Draft version: June 1, 2012

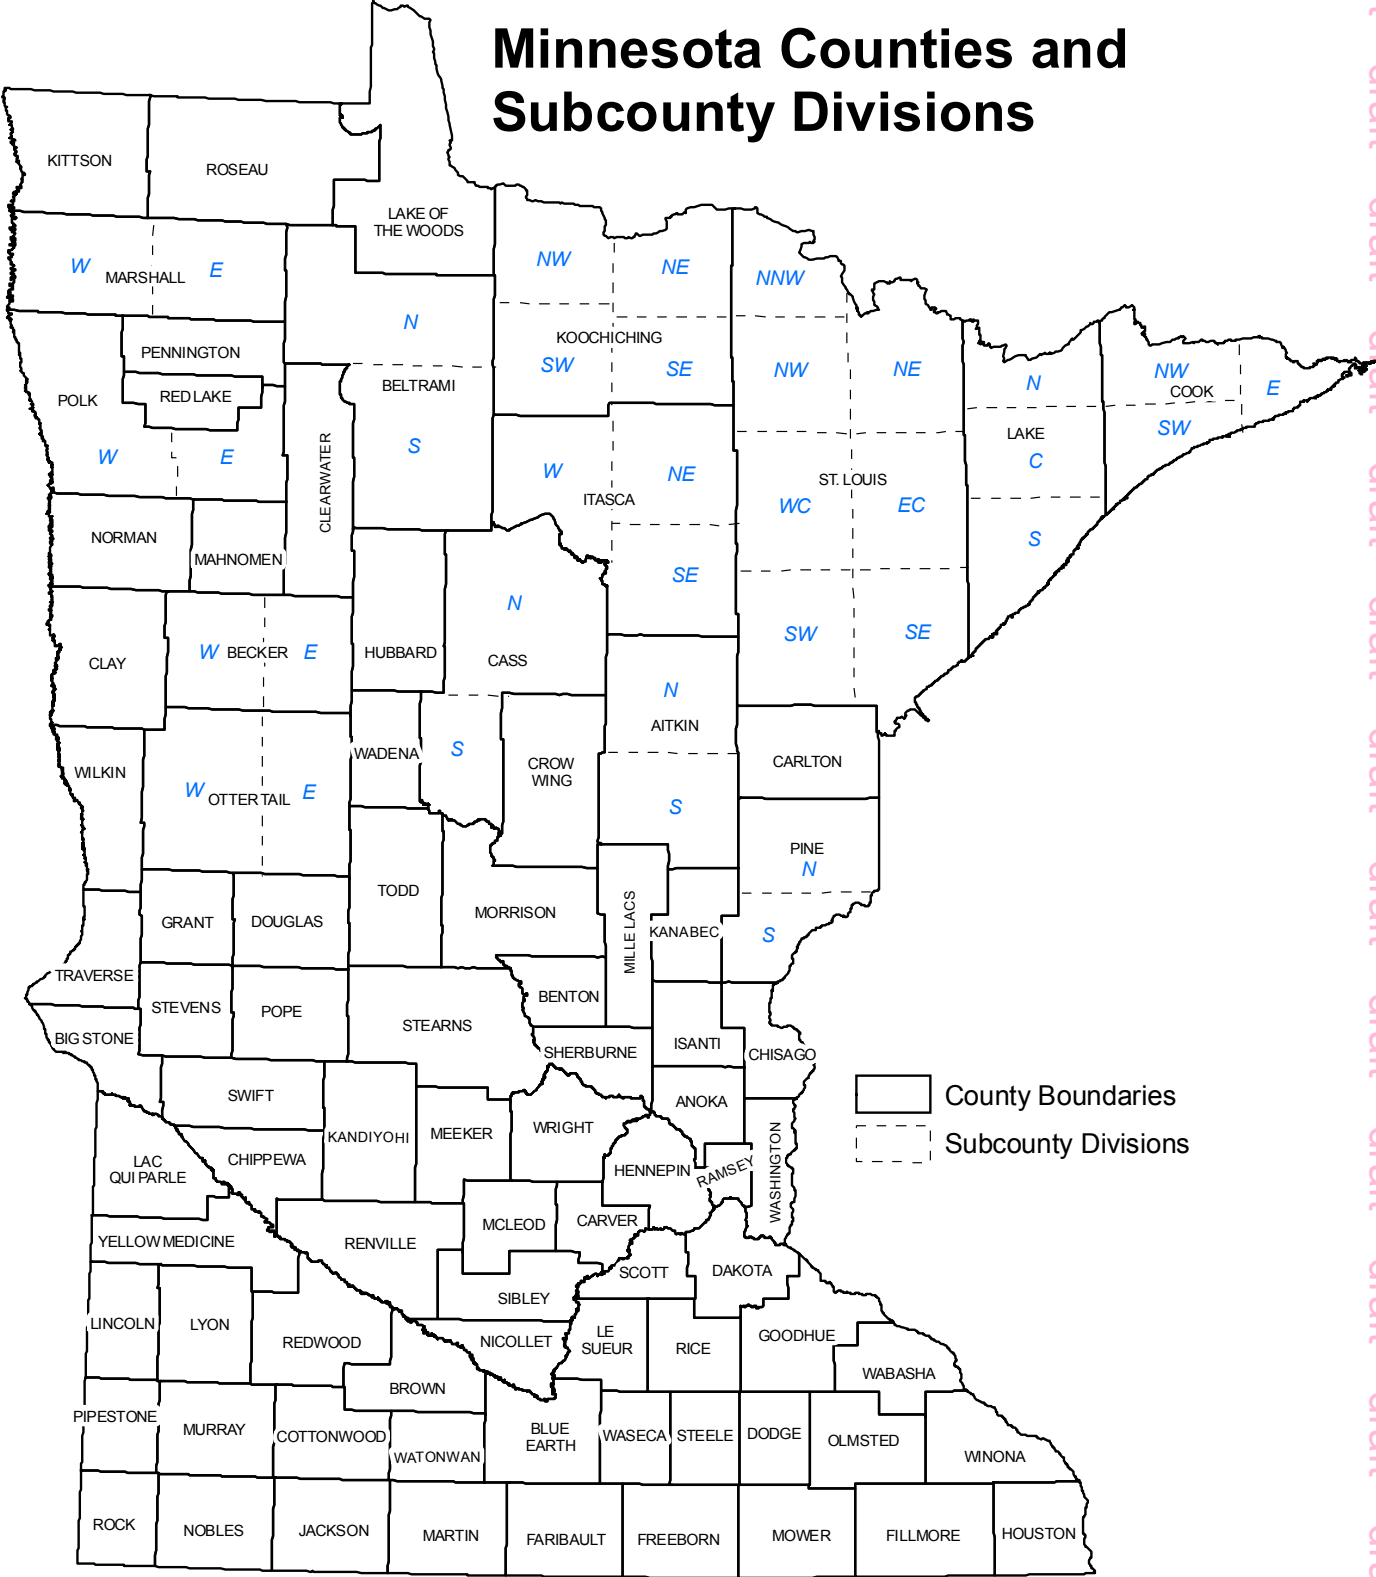

Updates available at:
mndnr.gov/eco/mcbs/plant_lists.html

Funding provided by the Minnesota Legislature, with partial funding for the Minnesota Biological Survey provided by the Minnesota Environment and Natural Resources Trust Fund as recommended by the Legislative-Citizen Commission on Minnesota Resources.
