	Comment Text	Response Date
 Find	1. Make some accessible by foot only and make some accessible to all.	Wed, 1/2/08 5:37 AM
 Find	2. No comment - I am not aware of the specific scenic features of this parcel of land. Again saving it "as is" would allow future generations to appreciate this large parcel in a sustainable more natural setting.	Tue, 1/1/08 11:03 PM
 Find	3. Protect them	Tue, 1/1/08 10:36 PM
 Find	4. as natural as possible is always a draw for me and my grown children - been annual members for years.	Tue, 1/1/08 6:11 PM
 Find	5. Trails with fauna notation	Tue, 1/1/08 12:58 PM
 Find	6. Keep it as natural and serene as possible. Highlite areas with walking trails and canoe and kayak.	Tue, 1/1/08 12:47 PM
 Find	7. Forest...	Tue, 1/1/08 12:37 PM
 Find	8. Natural always no houses	Tue, 1/1/08 10:53 AM
 Find	9. Hiking, water activities, hummingbird stations, recycling, compost sites and natural rock camp rings.	Tue, 1/1/08 10:39 AM
 Find	10. The land should be left alone as much as possible to preserve the natural forests that are disappearing in the state and will continue to do as mining and timber companies sell their land holdings to private developers.	Tue, 1/1/08 10:06 AM
 Find	11. Preserve and promote the scenic features. Make this a place where people can come and experience low-impact enjoyment of the incredible beauty of the lake and land	Mon, 12/31/07 10:55 PM
 Find	12. The tall pines and the lake vistas speak for themselves; however design the buildings and parking areas so visitor can easily get 100 yards away from both [review some designs like Yosemite NP or others that help the visito sense nature and yet not feel crowded in the outdoors.	Mon, 12/31/07 10:16 PM
 Find	13. keep a couple of the old wet boathouses as historic places.	Mon, 12/31/07 10:00 PM
 Find	14. Limited access to maintain natural beauty.	Mon, 12/31/07 7:03 PM
 Find	15. Protection of outstanding scenic and recreation values associated with shorelines disappearing rapidly in this area because of increased residential development in the area will create a highly valued resource for the people of Minnesota and our visitors.	Mon, 12/31/07 6:48 PM
 Find	16. Protect and maintain all natural features of the park and make them available to hikers.	Mon, 12/31/07 4:55 PM
 Find	17. Keep them scenic.	Mon, 12/31/07 4:10 PM
 Find	18. Please make hiking trails that are for all levels. It is nice to have long hikes for those who are physically fit, but it is also very important to have shorter hikes for those who are physically unable to go long distances.	Mon, 12/31/07 3:54 PM
 Find	19. A Park Building could have learning areas that could tell visitors about the area, the changes in the area from the previous land owners, and a plan about how the land will improve with the Park maintaining it.	Mon, 12/31/07 3:52 PM
 Find	20. Concentrate campground / picnic area so that longer stretches of shoreline are left undisturbed. (Shoreline / bluffline hiking trail is OK.)	Mon, 12/31/07 3:32 PM
 Find	21. Trails leading to the lake with benches to sit & relax by the lake. Handicap area should be accessible to anyone. At the tall points, have an obseravation deck/tower to look out	Mon, 12/31/07 3:16 PM

	over the lake.	
 Find	22. Keep it natural! Make it possible to use the park without making it something that detracts from the experience!	Mon, 12/31/07 3:10 PM
 Find	23. The trees, woods, lake, and rock outcroppings will make for tremendous scenery.	Mon, 12/31/07 2:48 PM
 Find	24. Point out and/or make hiking trails to great spots to photograph sunsets and sunrises.	Mon, 12/31/07 2:46 PM
 Find	25. those campsites on that one island can be incorporated into the park. just leave it as is pretty much.	Mon, 12/31/07 2:09 PM
 Find	26. Hiking trails that lead to scenic overlooks or run along the lake would be ideal.	Mon, 12/31/07 12:35 PM
 Find	27. The lake is a draw just to view from the land. Once a visitor is there, the other inland features need to be drawn out.	Mon, 12/31/07 12:23 PM
 Find	28. trees and rocks	Mon, 12/31/07 11:48 AM
 Find	29. Maintain natural qualities, especially shorelines. Prevent landscape marred by additional development.	Mon, 12/31/07 10:29 AM
 Find	30. hiking trails	Mon, 12/31/07 10:15 AM
 Find	31. Leave as much shoreline and upland in natural state as possible	Mon, 12/31/07 9:48 AM
 Find	32. Avoid as many changes as posible	Mon, 12/31/07 9:38 AM
 Find	33. Don't add boardwalks and limit trails.	Mon, 12/31/07 8:52 AM
 Find	34. Overlooks to the lake and surrounding area. Old growth forest, bogs, wetlands and rock outcroppings all have scenic value and interpretation opportunities.	Mon, 12/31/07 5:37 AM
 Find	35. Develop management plan to maintain present forest structure	Sun, 12/30/07 9:37 PM
 Find	36. This is a beautiful piece of property & it should be available to everyone--benches at outstanding views for people to rest & enjoy--paths along the shore if possible	Sun, 12/30/07 9:27 PM
 Find	37. As much natural landscape as possible. Lookouts. Maybe a visitor's center to educate about the importance of preserving wilderness.	Sun, 12/30/07 12:22 PM
 Find	38. The park could decide how the develop the area, better preserving and allowing proper access to the scenic features.	Sun, 12/30/07 10:34 AM
 Find	39. no construction allowed to hinder observation of scenic features	Sat, 12/29/07 10:51 PM
 Find	40. There's got to be some nice overlooks that you can route the trails through.	Sat, 12/29/07 10:44 PM
 Find	41. Preserve good groves of woods and natural features	Sat, 12/29/07 8:11 PM
 Find	42. The water, rock and trees make this a very beautiful pristine area. I am in favor of the building of a state park on Lake Vermillion just make sure there is minimal removal of trees and see #1 and #2.	Sat, 12/29/07 7:20 PM
 Find	43. The site of towering white pines on a lake is what comes to mind when one thinks of Minnesota especially northern MN. We need to maintain these trees on public land for the enjoyment of all Minnesotains.	Sat, 12/29/07 3:08 PM
 Find	44. To develop a new state park will only short change existing facilities and cause them to fall into disrepair.	Sat, 12/29/07 2:46 PM
 Find	45. Responsibly-developed hiking, biking, cross-country skiing, and snow shoeing trails which allow visitors to experience the amazing scenery year-round.	Sat, 12/29/07 1:42 PM
 Find	46. Preserve all	Sat, 12/29/07 12:51 PM
 Find	47. This is one of the most senic areas in the entire state, could be enjoyed by all.	Sat, 12/29/07 11:00 AM

 Find	48. Lake Vermilion with 365 islands is frequently named as one of the most beautiful scenic lakes in the US	Sat, 12/29/07 10:33 AM
 Find	49. preservation of scenic features, such as the rock outcroppings on the Minnesota River	Sat, 12/29/07 9:58 AM
 Find	50. Keeping the lake shore in as much of its natural state as possible is very important.	Sat, 12/29/07 7:19 AM
 Find	51. We cant replace what we cut down... we can bring regrowth but never the same view...	Sat, 12/29/07 7:16 AM
 Find	52. See above	Sat, 12/29/07 7:10 AM
 Find	53. camping and r.v. sites with a lake view	Fri, 12/28/07 7:32 PM
 Find	54. Once again this should be purchased by the DNR so that the whole state can enjoy.	Fri, 12/28/07 1:55 PM
 Find	55. The scenic areas are there, just provide access to them.	Fri, 12/28/07 1:53 PM
 Find	56. An "overlook" of the lake placed on the eastmost and westmost boundaries of the park area on the lake, connected by scenic walking trail(s) meandering through the forest and lakefront areas.	Fri, 12/28/07 10:52 AM
 Find	57. Vermilion is one of the most beautiful lakes in the state. Too much ugly developement has been allowed with negative consequences to the lake's beauty. If the proposed area is made into a large developement of single homes, that scenic area is ruined forever. We should preserve certain areas of that lake for our children to enjoy in the same scenic way we have been able to enjoy. We mustn't let this opportunity get away and be bst forever.	Fri, 12/28/07 10:37 AM
 Find	58. Provide scenic opportunites while still retaining the integrity of the natural environment.	Fri, 12/28/07 10:27 AM
 Find	59. WANT; trails accessing any overlooks of the surrounding area. interpretive areas informing visitors of the native flora & fauna of this region & also info on the exotic species that have already been found here & their negative impacts (rusty crayfish). an interpretive focus on astronomy, perhaps even a small observatory. in an area where we can still see the stars - let people know what they are looking at. DO NOT WANT; light pollution - keep night time lighting to a minimum & focused downward.	Fri, 12/28/07 9:33 AM
 Find	60. They are already there. Just don't mess them up.	Fri, 12/28/07 9:17 AM
 Find	61. Although I'm not familiar with the land at that particular part of the lake it would be nice to have some hiking trails with views of the lake if that were possible.	Fri, 12/28/07 7:19 AM
 Find	62. Good View of the lake	Fri, 12/28/07 12:54 AM
 Find	63. I would like very little development to allow for more scenery and natural beauty.	Thu, 12/27/07 9:42 PM
 Find	64. Given the DNR Commissioner's directive, presenting any "scenic features" should focus on pre-settlement natural features - native vegetation, areas that have never been planted or cut, etc.	Thu, 12/27/07 9:14 PM
 Find	65. land and water is scenic already-leave alone	Thu, 12/27/07 8:46 PM
 Find	66. I think it would be great to have a nice shelter: I really like when parks have a fireplace in their shelter to warm up in winter after a ski. oh, also it would be nice to have a shower in the bathrooms (convenient after a run or ski for people who have a long drive home).	Thu, 12/27/07 8:07 PM
 Find	67. no 4 wheelers, no snowmobiles, hiking and ski touring trails only, also no personal watercraft such as jet skies	Thu, 12/27/07 5:28 PM
 Find	68. Keep it as natural as possible.	Thu, 12/27/07 12:31 PM
 Find	69. Create Nature trails and scenic features to help promote such a wonderful Northern Minnesota Lake	Thu, 12/27/07 12:25 PM

 Find	70. Minimize impact, but don't lock out motorized recreation.	Thu, 12/27/07 12:21 PM
 Find	71. Make most of the scenic features available by walk-in only.	Thu, 12/27/07 12:11 PM
 Find	72. trails for horses, hiking, etc	Thu, 12/27/07 11:58 AM
 Find	73. Old growth trees along snowmobile trails	Thu, 12/27/07 11:19 AM
 Find	74. Overlooks over the water and scenic areas for picture taking. Especially if you climb something or take a long hike. A picture proves you did it.	Thu, 12/27/07 10:17 AM
 Find	75. protect the beauty of the lake and many islands	Thu, 12/27/07 10:14 AM
 Find	76. Hiking trails.	Thu, 12/27/07 8:50 AM
 Find	77. Keep as natural as possible	Thu, 12/27/07 2:29 AM
 Find	78. The lake is lovely the rest of the terrain unique. Highlight the unique features.	Wed, 12/26/07 10:05 PM
 Find	79. Please add horse trails!!	Wed, 12/26/07 6:36 PM
 Find	80. Preserve undisturbed natural lakeshore	Wed, 12/26/07 6:09 PM
 Find	81. NA	Wed, 12/26/07 5:53 PM
 Find	82. Preserve what is already there and avoid any further disturbance to the scenic areas	Wed, 12/26/07 4:18 PM
 Find	83. Where else in MN could you go to be part of the outdoor experience that lake Vermilion offers	Wed, 12/26/07 3:59 PM
 Find	84. This lake is very unique in that it was formed in bed rock. It is a beautiful lake and needs to be preserved.	Wed, 12/26/07 2:12 PM
 Find	85. I don't know.	Wed, 12/26/07 12:21 PM
 Find	86. Preserve	Wed, 12/26/07 11:42 AM
 Find	87. let the woods mature	Wed, 12/26/07 11:30 AM
 Find	88. as in #2	Wed, 12/26/07 10:41 AM
 Find	89. natural as possible	Wed, 12/26/07 10:31 AM
 Find	90. The area proposed is dotted with nesting habitat for loons, eagles, and other birds. The Park should consider a staging area for wildlife interpretive boat trips and nature walking trails.	Wed, 12/26/07 9:48 AM
 Find	91. Preserve as well as possible, make handicapped accessible	Wed, 12/26/07 9:01 AM
 Find	92. Overlooks, lake view, forest stands	Wed, 12/26/07 8:55 AM
 Find	93. Nature trails for hiking and snowshoeing. Area for snowmobiling and ATV would be nice, but not an immediate need	Wed, 12/26/07 8:15 AM
 Find	94. clean beach area--campsites--also a group site for campfires for day use visitors--a shelter that would accommodate large groups of people for picnics or special family events, even weddings	Tue, 12/25/07 10:13 PM
 Find	95. Trails along the lake.	Tue, 12/25/07 8:34 PM
 Find	96. YES YES YES YES LOVE SCENIC FEATURES!!!!!!!!!!!!!!	Tue, 12/25/07 10:52 AM
 Find	97. Let's be careful with the development that results in the loss of trees, and other native species that are a part of the scenic beauty of the area.	Tue, 12/25/07 6:33 AM
 Find	98. BEAUTY BY PRESERVATION. STATE PARK FOR SURE. NATIVE VEGETATION	Mon, 12/24/07 7:47 PM

 Find	99. We have not been to lake Vermillion, but are looking forward to it when the Park is established.	Mon, 12/24/07 3:07 PM
 Find	100. Views of the lake are important with minimizing the shoreline developement from the water.	Mon, 12/24/07 1:09 PM
 Find	101. quiet out of the way 'gems' for hikers would be great. As our MN population ages, it will be important to locate some scenic features for the older baby boomers to access.	Mon, 12/24/07 12:15 PM
 Find	102. Have trails access some of these.	Mon, 12/24/07 12:14 PM
 Find	103. Avoid over development	Mon, 12/24/07 10:05 AM
 Find	104. Miniumum impact	Mon, 12/24/07 9:05 AM
 Find	105. Obviously preserve, especially the view sheds. Minimize roads and building that do not fit into the area.	Mon, 12/24/07 7:43 AM
 Find	106. Leave it as you found it, we don't need another state park!!	Sun, 12/23/07 9:33 PM
 Find	107. Create established, maintainted, non-paved hiking trails leading out to the various scenic areas. It would be cool to build little stone markers or monuments with brass plaques at each area describing some of the history or natural significance of each overlook.	Sun, 12/23/07 7:04 PM
 Find	108. Have campsites that over look the lake.	Sun, 12/23/07 3:40 PM
 Find	109. Lake side camping	Sun, 12/23/07 10:49 AM
 Find	110. Due to the park's location, the volume of visitors will not be as great as a park in the Twin City area or along the shore of Lake Superior. Therefore, natural walking trail design (not bituminous or gravel) lends to the wilderness experience. Signage for campsite numbers, trail markers, etc., should be constructed from materials found in the area. In other words, please do not even consider using plastic.	Sun, 12/23/07 10:47 AM
 Find	111. Keep them secret. Let the users find them on their own. Beauty lies in the eye of the beholder.	Sun, 12/23/07 10:24 AM
 Find	112. Private land ownership has dramatically changed the scenery of the land around the lake. the shores where there is road access have been covered with buildings. A state park preserving the lakeshore would be an excellent idea and every land owner on the lake I know supports it.	Sun, 12/23/07 10:06 AM
 Find	113. give views of area	Sun, 12/23/07 9:40 AM
 Find	114. outdoor experince. lakes, trees	Sun, 12/23/07 9:28 AM
 Find	115. Would be nice to incorporate the park in with the Soudan Under Ground mine kind of like at the Forest Mysteryville Cave State Park.	Sun, 12/23/07 12:57 AM
 Find	116. Create hiking trails to the scenic features and provide interpretive signs along the way explaining the vegetation, geology, history, etc.	Sat, 12/22/07 11:17 PM
 Find	117. Implement a forest mangement plan that includes rotational logging. the BWCA is devoid of much wildlife due to a lack of youmg forest foods.	Sat, 12/22/07 4:40 PM
 Find	118. ??	Sat, 12/22/07 2:02 PM
 Find	119. Lake Vermillian, the forests and rugged terrain of the area.	Sat, 12/22/07 12:12 PM
 Find	120. maybe a few hiking trails.	Sat, 12/22/07 11:08 AM
 Find	121. Hiking trails that lead you to some beautiful vistas of the lake would be nice. Also some stands of old growth pines would be good. Other scenic things like rock formations, flowers, eagles'nests, etc. If some of the campsites could be set up with nice views of the lake, that would be great. Same thing with camper cabins. Keep the RV's out of the way	Sat, 12/22/07 10:35 AM

of scenic campsites, they tend to hurt the feeling of being up north.

 Find	122. All the main scenic features should have access to RV traffic off of the loop. Kind of like Yellowstone has it. More public access is good as long as it is controlled in how it is implemented, ie turn outs and parking areas.	Sat, 12/22/07 5:54 AM
 Find	123. I've not visited the site but hope to have time to... honestly I've not been able to get away for much of the last 20+ yrs but hope to in retirement and if not the next generation will enjoy	Fri, 12/21/07 10:04 PM
 Find	124. Maintain as much as possible in their natural state.	Fri, 12/21/07 9:00 PM
 Find	125. nothing should be done to compromise the natural beauty of the area	Fri, 12/21/07 8:38 PM
 Find	126. It's a beautiful area just the way it is now---WHY is a park here even necessary ??????	Fri, 12/21/07 7:56 PM
 Find	127. SCENIC LOOKOUTS	Fri, 12/21/07 7:09 PM
 Find	128. keep out trees	Fri, 12/21/07 6:30 PM
 Find	129. Great opportunity to provide for and educate visitors of the valuable resource they are viewing and the importance of respecting them.	Fri, 12/21/07 6:14 PM
 Find	130. Minimal impact	Fri, 12/21/07 5:48 PM
 Find	131. 3,000 acres will provide many scenic opportunities.	Fri, 12/21/07 4:55 PM
 Find	132. minimize reduction of treed areas	Fri, 12/21/07 4:48 PM
 Find	133. Bike paths	Fri, 12/21/07 4:41 PM
 Find	134. keep intact.	Fri, 12/21/07 3:41 PM
 Find	135. Hiking trails that provide a view of the lake are a must.	Fri, 12/21/07 3:36 PM
 Find	136. It is a scenic part of the lake with the rock cliffs and towering pines.	Fri, 12/21/07 3:06 PM
 Find	137. Hiking trails close to the lake with views of the lake. Picnic areas with overlooks of the lake. Remote campsites near the lake with a view of the lake	Fri, 12/21/07 2:13 PM
 Find	138. Maintain with minimal disturbance	Fri, 12/21/07 1:47 PM
 Find	139. Try to develop in a friendly manner so the development blends into the atmosphere.	Fri, 12/21/07 12:50 PM
 Find	140. Strike a balance between providing access to scenic features and not detracting from the nature of the feature. This is a difficult balance. Not every feature needs to be accessible by car or even by foot.	Fri, 12/21/07 12:49 PM
 Find	141. The development of the site should be sensitive to the natural beauty and history of the land.... but within reason with the goals of the overall project. You see, if the DNR doesn't purchase this land, developers will, and would ruin it far worse than any plans the DNR would have with the new park.	Fri, 12/21/07 12:48 PM
 Find	142. Do not create structures, services or resources that need maintenance. (I.E. trash cans, bathrooms, docks, boat landings, picnic tables, etc.)	Fri, 12/21/07 11:25 AM
 Find	143. Lots of trails. Keep part of the park non camper, just tents.	Fri, 12/21/07 9:43 AM
 Find	144. Minimize impact of scenic shoreline by keeping man-made structures and disturbances to a minimum. Keep these types of structures away from direct view of the lake. We have a once in a lifetime of the state opportunity to preserve the scenic beauty and character of a northeastern minnesota lake.	Fri, 12/21/07 9:24 AM
 Find	145. Leave it as natural as possible.	Fri, 12/21/07 9:03 AM

 Find	146. Scenic overlooks and many walking trails incorporated into the landscape would be nice.	Fri, 12/21/07 8:07 AM
 Find	147. The hiking and skiing trails should show off the numerous open pits and scenic features such as Lander Mattsons (very nice view) trails that follow the creeks and streams would be nice also.	Fri, 12/21/07 7:33 AM
 Find	148. Provide a lookout tower or a fire tower similar to Itasca State Park	Thu, 12/20/07 11:49 PM
 Find	149. Leave them undeveloped Minimize fencing etc.	Thu, 12/20/07 6:07 PM
 Find	150. Create access (hiking & biking trails) to scenic features	Thu, 12/20/07 3:08 PM
 Find	151. Please do not destroy any more lake shoreland. In spite of current regulations the lake shore is pillaged because of poor monitoring and enforcement.	Thu, 12/20/07 2:28 PM
 Find	152. A special emphasis should be place don the variety of scenic wonders that are available in the region for visitors to enjoy and experience.	Thu, 12/20/07 1:21 PM
 Find	153. Nature center. NON RV campgrounds.	Thu, 12/20/07 1:15 PM
 Find	154. Add points of intrest to the hiking trail system with marked features.	Thu, 12/20/07 11:58 AM
 Find	155. Leave as much as possible untouched when the park is created. Keep it wild. Tamed parks are importnat but are already available elsewhere.	Thu, 12/20/07 10:01 AM
 Find	156. Accomplish: well-designated trails leading to features	Thu, 12/20/07 10:00 AM
 Find	157. Vermillion is probably one of the most scenic lakes in the state and what I would consider a Crown Jewel...	Wed, 12/19/07 8:31 PM
 Find	158. That is a picturesque section of the Lake. Preserve it. Large multiple story houses do convey scenic beauty	Wed, 12/19/07 8:09 PM
 Find	159. JUST FROM THE PICTURES THE SCENORY WAS GREAT MAYBE PUT UP A COUPLE OF LOOK OUTS LIKE THEY USED TO WATCH FOR FIRES.	Wed, 12/19/07 7:11 PM
 Find	160. the east end of the lake does not need more cabins and year around homes for the wealthy	Wed, 12/19/07 6:41 PM
 Find	161. It is too near the BWCA plus other state and county parks. The land should be sold for private development and remain on the tax rolls.	Wed, 12/19/07 5:48 PM
 Find	162. Interpretive pamphlets, and perhaps signs near the entrance points could be used to describe geological and botanical features that people will encounter. IF there is to be a visitor center, these things can also be emphasized there.	Wed, 12/19/07 4:49 PM
 Find	163. leave the beauty of the land in it's present condition	Wed, 12/19/07 4:14 PM
 Find	164. Definitely if there is an island on the lake within the park, a canoe-in site would be perfect. I love trails with bridges linking a trail together, they create the perfect stop & take a look point. So pretty bridges would be great.	Wed, 12/19/07 2:43 PM
 Find	165. Provide various "view points" with tables/benches on the high rock ledges along a hiking/skiing trail of significant length. Limit access of 4-wheelers and snow mobiles to the outer fringes of the park.	Wed, 12/19/07 2:10 PM
 Find	166. Shaded sites	Wed, 12/19/07 2:05 PM
 Find	167. Again, this park has to retain the wilderness atmosphere--people choose to come here because it is like the BWCA	Wed, 12/19/07 1:46 PM
 Find	168. It's just a beautiful area already I think if the trails were in place that's all that would be needed.	Wed, 12/19/07 1:02 PM
 Find	169. Hiking trails that view the lake. Car, hiking, and bike trails to view the lake, wildlife, and countryside. Family education sessions on the park.	Wed, 12/19/07 12:13 PM

 Find	170. the lake and surrounding forests	Wed, 12/19/07 12:05 PM
 Find	171. Over looks to the lake with trailes that wind through the natural beauty of the area-flower identifications-trees-birds and mamal information	Wed, 12/19/07 11:38 AM
 Find	172. It is a beautiful place and a state park can keep it that way versus development.	Wed, 12/19/07 11:04 AM
 Find	173. Maintain natural beauty.	Wed, 12/19/07 11:02 AM
 Find	174. Make unintrusive walking and biking trails that do not impact upon the scenic features.	Wed, 12/19/07 10:24 AM
 Find	175. Have trails, both hiking, ATV, Snowmobile, Horseback, Mountain Biking that will lead you to the most awesome scenic features. Design and lay them out to minimize conflicts.	Wed, 12/19/07 9:57 AM
 Find	176. Carefully choose overlooks, mimimal roads and trails should be created.	Wed, 12/19/07 9:53 AM
 Find	177. This park is on the edge of the Wilderness. Give visitors a glimpse of what that means, but don't make this a "drive thru" park... Some of the scenics from the interior of the proposed park are spectacular--look at the trails around Porcupine Mountains or along the North Shore. High visitation areas that still seem to maintain that remote experience.	Wed, 12/19/07 9:27 AM
 Find	178. Scenic features should be available from a non-motorized trail system that features single use trails - e.g. hiking trails, XC ski trails, etc.	Wed, 12/19/07 9:12 AM
 Find	179. Prtoteck scenic feature!!! Limit users if they are threatened, to include over trafficking the waterway.	Wed, 12/19/07 9:06 AM
 Find	180. Preserve open spaces reduce future random development.	Wed, 12/19/07 8:34 AM
 Find	181. Bicycle and Walking trails and interpretative center.	Wed, 12/19/07 8:15 AM
 Find	182. Avoid changing too much of the natural beauty of the land.	Wed, 12/19/07 7:37 AM
 Find	183. Encourage trails to current natural scenic overlooks. Avoid motorized access of any kind.	Wed, 12/19/07 7:06 AM
 Find	184. hiking trails	Wed, 12/19/07 6:35 AM
 Find	185. Overlooks for car day trippers, interperative signs, geological points of interest	Tue, 12/18/07 9:45 PM
 Find	186. When highlighting the scenic features of this property do it in a fashion that will protect the very piece of property that you are trying to highlight, make it hard for poeple to try to "destroy" the area. People are ignorant for the most part and don't realize that chipping off a piece of rock or picking a wildflower here or there is detrimental to the resource. Especially when it's done by a few from a population of many.	Tue, 12/18/07 9:35 PM
 Find	187. Maintain the naturel beauty as much as possible.	Tue, 12/18/07 8:50 PM
 Find	188. Looks like cook county area! Would be nice to see a campground ther, would mke me want to go the and take my kids to!	Tue, 12/18/07 7:25 PM
 Find	189. enhance the natural features as this is US Steel land I'm assuming it is not all wild. Let it go back to wild	Tue, 12/18/07 7:20 PM
 Find	190. Have a trail to look at some of the senic areas.	Tue, 12/18/07 6:51 PM
 Find	191. The mega mansions that are being erected are 'eyesores'	Tue, 12/18/07 6:16 PM
 Find	192. Keep the scenic views as natural as possible while balancing the needs of all users in mind.	Tue, 12/18/07 6:00 PM
 Find	193. Preserve what we have	Tue, 12/18/07 5:38 PM
 Find	194. keep what is there	Tue, 12/18/07 5:22 PM
 Find	195. BEAUTIFUL AREA BUT NOBODY WILL USE IT	Mon, 12/17/07 8:47 PM

 Find	196. Trails that take you to scenic areas overlooking the lake, along streams feeding the lake, to and around bogs or natural stands of trees with signage to explain the importance of these would be great.	Mon, 12/17/07 4:30 PM
 Find	197. trails, walks, any scenic overlooks at lake vermillion, visitors center, etc. I would say typical state park features.	Mon, 12/17/07 12:07 PM
 Find	198. Take care of what you have now.	Mon, 12/17/07 12:04 PM
 Find	199. Natural forests	Mon, 12/17/07 11:22 AM
 Find	200. please provide hiking trails with gathering areas around scenic overlooks	Mon, 12/17/07 8:50 AM
 Find	201. Leave as little changed along tthe lake as possible.	Mon, 12/17/07 8:43 AM
 Find	202. Keep things as natural as possible, the rest of the lake is getting pretty congested with cabins and lake homes.	Sun, 12/16/07 8:10 PM
 Find	203. Hiking trails to overlooks. Keep automobile roads to a minimum.	Sun, 12/16/07 5:53 PM
 Find	204. Leave it natural. That would be part of the preservation.	Sun, 12/16/07 5:39 PM
 Find	205. lookouts,gift store, which also colects monies for visits	Sun, 12/16/07 4:08 PM
 Find	206. Plenty of hiking trails, x-country in winter.	Sun, 12/16/07 2:50 PM
 Find	207. I WOULD LIKE TO SEE TRAILS THAT EXPLORE THE VARIOUS TYPES OF HABITAT IN THE AREA I.E BOG CONIFEROUS FOREST ETC.	Sun, 12/16/07 1:35 PM
 Find	208. Design trail systems that maximize the public enjoyment of natural vistas while minimizing the impact of park development on the greater viewshed.	Sun, 12/16/07 11:45 AM
 Find	209. Keep vehicles parked in a consolidated area with minimal intrusion on camping areas. Various hiking trails and maybe some biking.	Sun, 12/16/07 11:18 AM
 Find	210. I realize campsites are going to be in close proximity to the lake, are there any setbacks requirements for campsites? Frankly I would not want to see 5th wheel campers from the lake.	Sun, 12/16/07 9:58 AM
 Find	211. save and prevent destruction of. Have trails and access to.	Sun, 12/16/07 12:48 AM
 Find	212. This lake is a beautiful lake. There is still a lot of wildernes on this lake. making it a state park would help keep it this way.	Sat, 12/15/07 4:42 PM
 Find	213. The natural scenic value is there. Design a park that does not destroy this gift.	Sat, 12/15/07 11:54 AM
 Find	214. Stratigically placed lookout points at points of higher elevation.	Sat, 12/15/07 11:41 AM
 Find	215. keep natural state as much as possible.	Sat, 12/15/07 10:18 AM
 Find	216. Why don't you spend a \$1000 or less to fix the bog boardwalk at Scenic state park in Bigfork before you blow \$54 million on this green herring?	Sat, 12/15/07 8:18 AM
 Find	217. Leave as is	Fri, 12/14/07 9:26 PM
 Find	218. Seclusion...If people want to bring in their big campers, so be it, but pack them into relatively high concentration spots away from the water. Others that want seclusion should be able to experience it. I think the idea of small campsites on islands is very intriguing. It might be harder to manage, but would make for quite an experience.	Fri, 12/14/07 3:30 PM
 Find	219. Again, how do can we improve on what is certainly a very naturally beautiful environment. Minimize development; minimize made-made structures.	Fri, 12/14/07 8:09 AM
 Find	220. Little commercialization, rustic cabins, like Itasca, not mini mansions for rent.	Thu, 12/13/07 8:04 PM
 Find	221. maintain the natural beauty of the south eastern part of the lake.	Thu, 12/13/07 5:14 PM

 Find	222. keep the lakeshore native and don't cut down trees just to get a good view of the lake	Thu, 12/13/07 2:58 PM
 Find	223. Develop more trails with time/resources	Thu, 12/13/07 11:41 AM
 Find	224. Leave the area as undisturbed as possible. Leaving a wild, scenic, and natural place for future generations.	Thu, 12/13/07 9:42 AM
 Find	225. The area itself is scenic enough and needs no additional help from us other than trails.	Thu, 12/13/07 9:36 AM
 Find	226. This area offers unique kiking and scenic views of the lake and inland areas. Special planning should provide unique short and long hiking opportunities.	Thu, 12/13/07 8:45 AM
 Find	227. accomplish - access!	Thu, 12/13/07 8:17 AM
 Find	228. Highlight the terrain - from shoreline structures to rocky points, overlooks and trails - via well designed access from vehicles/hiking trails.	Wed, 12/12/07 8:53 PM
 Find	229. lookout ares and picnic areas, hiking and bike paths to explore the beauty of vermilion.	Wed, 12/12/07 8:38 PM
 Find	230. Keep them away from any near by campsite. One or two look out towers are nice to get a scenic lay of the land.	Wed, 12/12/07 7:34 PM
 Find	231. Same as above.	Wed, 12/12/07 7:26 PM
 Find	232. not all sites can have all the scenic features everyone would prefer but the lke speaks for itself. do the best you can.	Wed, 12/12/07 6:05 PM
 Find	233. It is important to keep "green" areas like this for future generations. It provides a much needed respite for families and individuals to enjoy some things that make Minnesota a great place to live.	Wed, 12/12/07 6:02 PM
 Find	234. Save it!	Wed, 12/12/07 5:17 PM
 Find	235. maintain any natural	Wed, 12/12/07 3:00 PM
 Find	236. preserve views, allow hiking trails to access these sites	Wed, 12/12/07 2:50 PM
 Find	237. Minnesota is one of the most scenic states in the entire USA. I hope we can preserve the natural setting as much as possible for future generations.	Wed, 12/12/07 2:17 PM
 Find	238. This park is an opportunity to provide a wilderness-like experience for people who may not want to visit the BWCAW. Don't ruin that opportunity by over-developing the park and making it into an ATV and snowmobile playground.	Wed, 12/12/07 1:33 PM
 Find	239. Review the areas and plan accordingly. Don't just use maps and plan from a distant desk top.	Wed, 12/12/07 1:26 PM
 Find	240. Hiking trails should access scenic overlooks, historical sites, and interesting geological or biological features. These should be accessable to disabled folks as much as possible.	Tue, 12/11/07 9:49 PM
 Find	241. A hiking trail running along the entire park lakeshore.	Tue, 12/11/07 8:01 PM
 Find	242. We need to preserve as many of the most scenic areas while we still can. Once the developers come in, they don't care about protecting scenic areas. Just make their short term profits and move on to destroy the next scenic area.	Tue, 12/11/07 7:50 PM
 Find	243. Keep good views intact. Minimize development, especially along shore so scenic values from the lake are preserved.	Tue, 12/11/07 4:22 PM
 Find	244. For the most part leave as is, though may need to work with Forestry to improve areas that may have been deteriorated by current owner.	Tue, 12/11/07 3:44 PM
 Find	245. The structures and infrastructure should blend in as to not even be noticed by a passing boat.	Tue, 12/11/07 11:43 AM
 Find	246. Lake, Islands, Rocky Shorline, Wetlands, Trees	Tue, 12/11/07 11:39 AM

 Find	247. FULLY FUND **ALL OTHER** MINNESOTA STATE PARKS FIRST. THEN ACQUIRE THIS LAND AS AN UNDEVELOPED FOREST. DEVELOP INTO A STATE PARK AT A LATER DATE WHEN THE REPUBLICAN RECESSION AND REPUBLICAN BUDGET DEFICIT IS CORRECTED. NO MOTORIZED VEHICLES.	Wed, 12/5/07 12:11 PM
 Find	248. From the views/videos that I have seen/watch it appears that the area is quite scenic. It would be wonderful to have an extensive trail system to enjoy them.	Thu, 11/29/07 10:23 AM
 Find	249. you will never get a better view and now everyone can enjoy it. We are a family that camps and what a great idea to bring family life and fun together with beauty. We will never be able to afford a lake place, so this is a way for our locals to enjoy the lake also. Maybe add a Center/big building for wedding and reunions, events, could outdoor music event. this is a big area, so think Big!!	Wed, 11/14/07 2:09 PM
 Find	250. Vistas and trails through the woods as well as highlighting water features are good. Hiking trails that go to vistas, historic areas, etc are a plus.	Wed, 11/14/07 12:33 AM

 Find	251. Preserve the shoreline and keep it as much of a natural setting as possible	Mon, 11/12/07 2:22 PM
 Find	252. The area is a beautiful area that needs some parks for nature lovers.	Fri, 11/9/07 9:12 AM
 Find	253. Many people are not able to go to the boundary waters canoe area due to physical limitations, so a conventional park is helpful for them to see the beauty of the area.	Fri, 11/9/07 7:28 AM
 Find	254. Lake Vermilion is by far the most beautiful lake in the state--let's keep it that way	Thu, 11/8/07 6:32 PM
 Find	255. We want the shoreline and surrounding area to look natural and undeveloped.	Wed, 11/7/07 11:14 PM
 Find	256. What great views you have from both the land and the lake.	Wed, 11/7/07 7:27 PM
 Find	257. TO KEEP THE SHORELINE IN IT'S NATURAL STATE WITH A NATURAL BUFFER OF 50 FEET.	Wed, 11/7/07 7:24 PM
 Find	258. Keep scenic features for all to enjoy.	Wed, 11/7/07 6:40 PM
 Find	259. Protect the high land which has beautiful views out over the lake. These should be places to go to and not for developed campsites.	Wed, 11/7/07 6:34 PM

 Find	1. Vistas both to the north over Lake Vermillion and to south over the landscape and to the Laurencian Divide - both scenic views are spectacular.	Sun, 1/27/08 10:27 AM
 Find	2. x	Fri, 1/25/08 5:04 PM
 Find	3. There are some wonderful views / vistas that can be scene from the hills to the south. This is important to maintain.	Thu, 1/24/08 6:45 PM
 Find	4. Keep them as natural and undisturbed as possible.	Thu, 1/24/08 11:13 AM
 Find	5. Protect scenic views as stated above and have a trail system to see them.	Mon, 1/21/08 4:51 PM
 Find	6. Hiking trails.	Sun, 1/20/08 9:55 PM
 Find	7. IF THIS WILL BE OUR 72ND STATE PARK, IT WILL BE AS BEAUTIFUL AS ALL OTHER PARKS IN MINNESOTA, THATS A PLUS FOR ALL MINNESOTANS, AND TOURISTS	Sun, 1/20/08 5:15 AM
 Find	8. Prioritize creating spots throughout the park that allow visitors to take in the bigger-picture vistas of the lake and surrounding forest.	Sat, 1/19/08 1:24 AM
 Find	9. keep it natural	Wed, 1/16/08 8:13 PM
 Find	10. Beach overlooking the lake. Wooded camping areas.	Wed, 1/16/08 4:12 PM
 Find	11. A developer would do a better job then the state as they would have the money. TH DNR can even maintain the parks they currently have. Please let a developer in.	Wed, 1/16/08 3:03 PM
 Find	12. Scenic overlooks along the hiking trails, chances to view wildlife and spots for picnics and rest brakes along the hinking trials too.	Wed, 1/16/08 12:20 PM
 Find	13. maintain trees and shoreline	Tue, 1/15/08 10:36 PM
 Find	14. lots of hiking trails would be great	Tue, 1/15/08 5:48 PM
 Find	15. Look out spots. Plenty of lakeview campsites. Nice trails going through the woods.	Mon, 1/14/08 9:04 PM
 Find	16. Lots of trees, the lake	Mon, 1/14/08 1:59 PM
 Find	17. There's a shortage of untouched lakeshore in the land of 10,000 lakes. Somewhere the family without a lake home of their own to enjoy can escape.	Mon, 1/14/08 9:53 AM
 Find	18. Lake Vermillion is so scenic as it is, any SP in this area would be, by default very pretty.	Thu, 1/10/08 2:28 PM
 Find	19. trees Geology Animal Birds archeology astrology water wild flowers/shrubs	Thu, 1/10/08 1:17 PM
 Find	20. Campgrounds with large sites preserving trees, underbrush etc. Do need electric sites and a good shower house	Thu, 1/10/08 12:48 PM
 Find	21. maintain as much of the scenic beauty as possible while creating a campground to help take the load off Bearhead Lake SP and Fall Lake campground.	Thu, 1/10/08 12:30 PM
 Find	22. make sure to have as much lake shore perimeter as possible, and that it is predominantly undeveloped in any way.	Wed, 1/9/08 12:34 PM
 Find	23. Not sure what is available in the area. Trails and interpretive centers, signage ect. is appreciated.	Tue, 1/8/08 6:48 PM
 Find	24. Preserve trees/forest areas native to the area. Protect shorelines for all to access and a few areas for public swimming.	Mon, 1/7/08 9:07 PM
 Find	25. Natural features are an important part of our state park experiences. We've been all over this state and would like to spend more time in the area of Lake Vermillion.	Mon, 1/7/08 7:02 PM

 Find	26. Protect the highly visible cliff areas as well as the forest and brush areas needed for animal and bird survival.	Sun, 1/6/08 11:06 AM
 Find	27. Ditto	Sun, 1/6/08 10:21 AM
 Find	28. tram system from lakeshore to top of scenic overlook.lots of scenic camp sights,campers or tents.sunset viewing overlook.	Sat, 1/5/08 10:24 AM
 Find	29. Place docks and seating areas in places with great scenic views.	Sat, 1/5/08 8:10 AM
 Find	30.are to be left alone.	Fri, 1/4/08 8:39 PM
 Find	31. Preservation is the key. Scenic features should be accessible but with limited impact on the environment. Scenic overlooks should be accessible by foot or skis. Other noteworthy features should also be accessible by those not able to walk, though consideration must be taken for the amount of impact this kind of development would have on the landscape.	Fri, 1/4/08 3:34 PM
 Find	32. Don't understand your question. My understanding is that the Scenic Features were created by the creator.	Fri, 1/4/08 1:38 PM
 Find	33. Preserve but allow people access via hiking trails.	Fri, 1/4/08 11:37 AM
 Find	34. the lake itself is scenic, lets offer this park to future generations that are not fortunate enough to own private property on this lake	Fri, 1/4/08 9:48 AM
 Find	35. Scenic roadways, hiking trails leading to some of the beautiful areas of the park w/ some backpacking camping areas.	Fri, 1/4/08 9:24 AM
 Find	36. good veiw of the lake from camp sites	Fri, 1/4/08 7:59 AM
 Find	37. Natural and secluded would be my theme. Overlooks that are hidden from the trail almost like a little treaure box. Maybe have small parts of the trail with vistas to ohh and ahh over but keep it enveloped in nature mostly.	Fri, 1/4/08 7:23 AM
 Find	38. The rolling hills of the Lake Vermillion area should allow for spectacular vistas along trails and paths. The lake should also be celebrated as primary scenic feature of the park.	Thu, 1/3/08 8:35 PM
 Find	39. Maybe a low land scientific area.	Thu, 1/3/08 5:42 PM
 Find	40. Short winding trails that are "easy" for senior citizens to navigate.	Thu, 1/3/08 3:22 PM
 Find	41. Accomplish: Preserve the scenic qualities by limiting access to footpaths - re: Tettegouche	Thu, 1/3/08 3:21 PM
 Find	42. biking / hiking trails	Thu, 1/3/08 3:13 PM
 Find	43. Pedestrian (Ski, snowshoe, walking, unpaved bicycle) trails only. No Horses.	Thu, 1/3/08 3:06 PM
 Find	44. Seems like there are provided for you...	Thu, 1/3/08 2:46 PM
 Find	45. Outstanding! AWESOME HISTORY!	Thu, 1/3/08 7:49 AM
 Find	46. Overlooks to the water; trail and campsite locations situated to blend into Canadian Shield topography.	Wed, 1/2/08 9:34 PM
 Find	47. Preserve as much as possible, locate facilities in less scenic areas	Wed, 1/2/08 8:33 PM
 Find	48. Bike/walking paths	Wed, 1/2/08 7:10 PM
 Find	49. Geology information (including information about the rock outcrops & glacial history).	Wed, 1/2/08 3:59 PM
 Find	50. The natural features of woodlands and the lake being protected from development would be a great gift to our state.	Wed, 1/2/08 2:51 PM
 Find	51. This area is very scenic as I often make the trip over from Norweigon Bay to fish these different bays which are thirty seven miles by water from our cabin.	Wed, 1/2/08 1:02 PM

 Find	52. Trails for hiking, cross country skiing, snowmobiling....not 4 wheelers.	Wed, 1/2/08 11:58 AM
 Find	53. scenic over looks off of cliffs and other natural structers	Wed, 1/2/08 11:30 AM
		250 responses per page ▼
