 Find	1. not sure - could horse trails make a connection?	Wed, 1/2/08 5:37 AM
 Find	2. This park could be connected to other state parks by hiking and biking trails. Having a shuttle operate in the peak summer hours would allow campers to visit other State Parks while camping at this park - this would be ideal for visiting Soudan economically.	Tue, 1/1/08 11:20 PM
 Find	3. With the history of area mining, logging, Indians, geologically	Tue, 1/1/08 10:58 PM
 Find	4. kayak/canoe or horse circuit	Tue, 1/1/08 6:17 PM
 Find	5. Try and develop a trail system connecting them for biking and walking. And eventually change the all electricity to solar power. In the long run the cost will be more then beneficial.	Tue, 1/1/08 1:08 PM
 Find	6. Highway and water access.	Tue, 1/1/08 1:07 PM
 Find	7. Doesn't have to be. It's just another great place to go.	Tue, 1/1/08 10:59 AM
 Find	8. Connect to the Mesabi bike trail, boating from other resorts or fishing in nearby lakes, camping at nearby Bear Head SP and the many private campgrounds. Area visitors who may be at the Wolf Center, touring the open pit iron mines at Virginia or Hibbing, the culture of Ironworld or just sightseeing lake & forest scenery would stop in for a reflective or sensory walk under the pines along the lake.	Mon, 12/31/07 11:51 PM
 Find	9. Provide opportunities for campers to learn about other area attractions such as local golf courses, the Wolf Center, Soudan Mine & so on.	Mon, 12/31/07 11:22 PM
 Find	10. Local travel companies could do tours of NE MN parks and historical attractions. Prizes for people who stop at several parks, "ie" shop hop where you punch a card at each and enter for a drawing at the end of the week or season.	Mon, 12/31/07 10:30 PM
 Find	11. State organized promotion and local promotion for events that draw people in the area for events etc.	Mon, 12/31/07 7:31 PM
 Find	12. Camping such as in the boundary watersw	Mon, 12/31/07 7:05 PM
 Find	13. It would complement other state park resources in the northland.	Mon, 12/31/07 6:56 PM
 Find	14. Create hiking trail system to the other nearby parks in the model of the Superior Hiking Trail.	Mon, 12/31/07 5:13 PM
 Find	15. Canoe routes, hiking and biking trails.	Mon, 12/31/07 4:21 PM
 Find	16. I don't think it should be connected to other Parks. It could be connected to businesses for rentals to make the more manageable for the camping rookie.	Mon, 12/31/07 4:12 PM
 Find	17. It would be great to have a biking trail to all of the state parks in the area.	Mon, 12/31/07 3:56 PM
 Find	18. Strong tie in to the mine, also co-market with Ironworld. (Place to stay while visiting there.)	Mon, 12/31/07 3:46 PM
 Find	19. By providing good maps.	Mon, 12/31/07 3:17 PM
 Find	20. trout lake could somehow be associated by letting unused permits to park visitors or day use stuff.	Mon, 12/31/07 2:29 PM
 Find	21. The proposed Park's large and varied wetlands would tie in very well with the Lost Lake PeatLand SNA. The proposed Park can provide additional space for a proper center for historical presentation and exhibit space for the existing Soudan Underground Mine State Park that is so difficult now because of historical site considerations	Mon, 12/31/07 1:23 PM

 Find	22. Have a trail that connects to the Soudan Mine tour area. Add paved or crushed rock bike trails to the local communities and other state parks nearby. If possible, create hiking trails that could join the Superior Hiking trail.	Mon, 12/31/07 12:49 PM
 Find	23. Vistors should first be told about the Soudan mine park and then the area parks.	Mon, 12/31/07 12:36 PM
 Find	24. Why would you when you are establishing a flagship park!	Mon, 12/31/07 12:01 PM
 Find	25. Trails. Public information. Driving and boat tours.	Mon, 12/31/07 10:36 AM
 Find	26. Tours to Soudan Mine would be a good idea.	Mon, 12/31/07 10:15 AM
 Find	27. Recreational trail connections are always a wonderful outcome if you can achieve such!	Mon, 12/31/07 10:06 AM
 Find	28. Use the Moose Lake example.	Mon, 12/31/07 9:56 AM
 Find	29. Multi-day system passes. Biking/hiking trail system, local vendor shuttle service.	Mon, 12/31/07 5:57 AM
 Find	30. Parks and other area attractions should be promoted together to insure a complete visit.	Sun, 12/30/07 9:52 PM
 Find	31. Keep the parks separate but offer shuttle service to the Soudan Mine	Sun, 12/30/07 9:33 PM
 Find	32. Trail systems, taconite trail expanded to this area. Jump off point for trips into the BWCA	Sun, 12/30/07 10:41 AM
 Find	33. easements, working with property owners to establish protected corridors between parks	Sat, 12/29/07 10:56 PM
 Find	34. By water, and trails.	Sat, 12/29/07 10:49 PM
 Find	35. Perhaps in time there might be a connection to Voyageur National Park.	Sat, 12/29/07 8:14 PM
 Find	36. Biking or hiking or ski trails would be one way. Creating a one or two week vacation guide that features the different parks and would encourage travel and staying at the various sites.	Sat, 12/29/07 3:59 PM
 Find	37. Reminding visitors that their day pass or anual pass to one park allows them free access to this, and all state parks, would encourage visitors from neighboring parks to come, and would encourage visitors to Lake Vermillion State Park to visit neighboring parks, as well.	Sat, 12/29/07 2:01 PM
 Find	38. Not sure	Sat, 12/29/07 1:04 PM
 Find	39. Their are already many trails in the area, The Taconite Trail could be udgraded to a bike trail.	Sat, 12/29/07 11:26 AM
 Find	40. a/Fortune Bay casino and Native American museum b/Wolf Center c/Bear Park at Orr d/Lynn Rogers Bear Center at Ely e/Iron Range History Center at Chisholm f/Finish log homes at Embarras	Sat, 12/29/07 11:00 AM
 Find	41. The park "sticker" system already allows users to enter any park. Bicycle trails are one way to connect facilities.	Sat, 12/29/07 10:36 AM
 Find	42. By route of a educational program, go green campaign or buy presentation series	Sat, 12/29/07 7:30 AM
 Find	43. Trails to connect them	Sat, 12/29/07 7:23 AM
 Find	44. trail system	Fri, 12/28/07 8:35 PM
 Find	45. trails or maps and brochures	Fri, 12/28/07 7:44 PM
 Find	46. By purchasing the additional land this would connect adjoining state park land.	Fri, 12/28/07 2:26 PM
 Find	47. It would be a huge asset to the adjoining Soudan Underground Mine State Park. Camping for people using the Gilbert OHV Park. Right now there is very limited camping available on Lake Vermilion.	Fri, 12/28/07 1:57 PM

 Find	48. Interactive park-based website with links to the other parks and rec opportunities, even business sponsored/paid links for advertising. Snapshots/links of ALL campsites with 360 degree view from each site. And some strategically placed web-cams for "live" streaming video or at least pictures that update every 15 seconds or so.	Fri, 12/28/07 11:16 AM
 Find	49. Joining trails for a greater riding experience	Fri, 12/28/07 11:13 AM
 Find	50. webcams - give people a glimpse of what else is out there.	Fri, 12/28/07 9:37 AM
 Find	51. Soudan Mine.	Fri, 12/28/07 9:22 AM
 Find	52. I think just the fact that people who came to this park might visit other parks in the area while they were here.	Fri, 12/28/07 7:32 AM
 Find	53. The flora and fauna of the area could be showcased, similar to how the flora and fauna of other state parks are.	Thu, 12/27/07 9:53 PM
 Find	54. the same as other state parks	Thu, 12/27/07 8:56 PM
 Find	55. hold events at the park would be nice to connect the trails to the soudan park system (very important would be to have the trails well mapped out with signs/posts).	Thu, 12/27/07 8:22 PM
 Find	56. land and water trails.	Thu, 12/27/07 5:49 PM
 Find	57. I think by having the park, it would create an added addition to the already great network of trails, and attractions like the under ground mine, Iron World, etc.	Thu, 12/27/07 12:38 PM
 Find	58. Connect existing snowmobile trails to the communities; develop and connect ATV trails.	Thu, 12/27/07 12:21 PM
 Find	59. Pamphlets containing info on other area opportunities.	Thu, 12/27/07 12:19 PM
 Find	60. Trails.	Thu, 12/27/07 11:27 AM
 Find	61. Make sure I don't have to buy a special pass for teh car window. Have maps showing distances at the ranger station.	Thu, 12/27/07 10:49 AM
 Find	62. snowmobile and ATV trails	Thu, 12/27/07 10:27 AM
 Find	63. Let the locals control the development to let it fit in.	Wed, 12/26/07 10:20 PM
 Find	64. HORSE TRAILS!	Wed, 12/26/07 6:40 PM
 Find	65. It wouldn't be that far from Bear Head SP so people with a pass could get more use out of it.	Wed, 12/26/07 6:38 PM
 Find	66. Inter-connect different parks with recreational trails and also do events that go from park to park.	Wed, 12/26/07 4:27 PM
 Find	67. The more parks in a area, the more people are likely to come because of choice selection possibilities.	Wed, 12/26/07 2:34 PM
 Find	68. Creating a new park where the majority of Minnesotan's live would create less polution and road demands going north.	Wed, 12/26/07 2:17 PM
 Find	69. By interconnecting trails that are multiple use would show that this park is all inclusive.	Wed, 12/26/07 10:51 AM
 Find	70. How about a shuttle services from the Tower Airport, by land or by water. How about preplanned itineraries that include a packaged vacation of camping, underground tour, air tour, fishing or nature viewing excursion, others?	Wed, 12/26/07 10:10 AM
 Find	71. unknown	Wed, 12/26/07 9:13 AM
 Find	72. I think a connection to the Soudan mine would be important. Excellent tour with history outlining the hard work and innovation this country was built on.	Wed, 12/26/07 9:02 AM
 Find	73. trails, virtual connectivity,	Wed, 12/26/07 8:28 AM

 Find	74. snowmobile trails YES - they could become HORSEBACK trails in the summer, like those at Lutzan SKi resort - perhaps with overbight campsites sprinkled about?that would create employment for locals too	Tue, 12/25/07 11:12 AM
 Find	75. It could promote the Soudan mine park and the development of iron mining on the range, proximity to the voyagers and BWCAW and the experience those areas have to offer. I hope that the connection will be the overall wilderness type experience that does not require someone to leave the safety of their familiar camping experiences (they don't have to go into the wilderness to experience the wilderness.	Tue, 12/25/07 6:44 AM
 Find	76. DON'T KNOW	Mon, 12/24/07 7:54 PM
 Find	77. trails	Mon, 12/24/07 12:22 PM
 Find	78. ATV trails	Mon, 12/24/07 11:11 AM
 Find	79. Connect through trails, driving and walking, biking etc.	Mon, 12/24/07 7:48 AM
 Find	80. You don't need to worry about connecting anything because we don't need another park!!	Sun, 12/23/07 9:38 PM
 Find	81. Not sure. That will come along as things progress.	Sun, 12/23/07 7:54 PM
 Find	82. ATv trails could lead to another trail	Sun, 12/23/07 7:01 PM
 Find	83. I think it should be kept a seperate experience except for lodging.	Sun, 12/23/07 3:51 PM
 Find	84. Link this park to the Tower Soudan park both in explaining their relationship to the lake.	Sun, 12/23/07 11:03 AM
 Find	85. attach to McKinney, decent landing, good bathroom facilities	Sun, 12/23/07 10:56 AM
 Find	86. The roads already provide this. There is no need to add to the existing trails for motorized vehicles like snowmobiles and ATVs. I don't see a need for this at all. This implies there is a need to have a way for people to travel from park to park and the roads already provide this.	Sun, 12/23/07 10:49 AM
 Find	87. DUH! You drive over to Sudan and take the tour.	Sun, 12/23/07 10:46 AM
 Find	88. Atv trails,	Sun, 12/23/07 10:08 AM
 Find	89. ATV snowmobile and ski trails	Sun, 12/23/07 9:36 AM
 Find	90. If there are ATV trails in this park, there are many ATV clubs that would work to create a trail system that would allow ATVers to ride continuous trails. It would be excellent to ride from the Red Dot, MooseWalk/Moose Run Trails all the way to Vermillion trails.	Sun, 12/23/07 8:55 AM
 Find	91. Soudan under ground mine. Have a hiking or camping club for the 3 to 5 parks that are close by.	Sun, 12/23/07 1:05 AM
 Find	92. I don't know.	Sat, 12/22/07 4:45 PM
 Find	93. Especially with the mine. If you could allow Lake Vermilion campers to attend the mine for a reduced fee, or no fee, I think more people might go there. There could also be some connection to Bear Head Lake State Park, but, I'm not sure how or what. Possibly inclusion at the Ely Wolf Center, too, free admission if you stay at Lake Vermilion?	Sat, 12/22/07 10:51 AM
 Find	94. ATV trails.	Sat, 12/22/07 10:37 AM
 Find	95. Hiking, biking and boating.	Sat, 12/22/07 6:19 AM
 Find	96. By serving as another escape from the hustle and bustle and noise of the cities and suburbia people are looking to escape while on vacation.	Fri, 12/21/07 9:05 PM
 Find	97. Soudan emphasizes mining; this park should emphasize the non-mining history of the area (lumbering, pioneering)	Fri, 12/21/07 8:42 PM

 Find	98. BY HAVING OVERNIGHT CAMPING.	Fri, 12/21/07 7:25 PM
 Find	99. Trail connections	Fri, 12/21/07 6:32 PM

 Find	101. Combining Minnesota tourist information in one common flyer	Fri, 12/21/07 5:13 PM
 Find	102. TRAILS AND ONE DAY THE STATE WIDE TRAIL	Fri, 12/21/07 5:06 PM
 Find	103. Bike and hiking paths	Fri, 12/21/07 4:43 PM
 Find	104. Snowmobile trails, North County trail, biking trails, ATV trails	Fri, 12/21/07 1:52 PM
 Find	105. Ski and snowmobile trails would be nice, Giant's ridge is a huge draw during the winter season and the proposed state park could benefit with quality trails.	Fri, 12/21/07 1:32 PM
 Find	106. The passport system is an obvious tie-in. Perhaps the use of themed interpretation where different parks focus on themes and topics and the public is encouraged to check out all the themes. A good website can help connect parks as well as other non-dnr resources in the area.	Fri, 12/21/07 1:07 PM
 Find	107. A marina that for a small fee, would allow a non-park visitor out on the lake to pull up and dock for the day....perhaps to do some hiking, or even to pitch a tent for the night.	Fri, 12/21/07 1:04 PM
 Find	108. Tie in with City of Tower and local chambers/resort associations, Iron Trail marketing	Fri, 12/21/07 10:26 AM
 Find	109. Obvious link to soudan underground mine state park, resorts in area would benefit as well. Take off point for the BWCA...	Fri, 12/21/07 9:28 AM
 Find	110. Hiking and snomobile trails.	Fri, 12/21/07 8:11 AM
 Find	111. Park system already in place (state park sticker, for example)	Thu, 12/20/07 3:21 PM
 Find	112. A state park trail could be developed which could tell the story of Minesota. Topics could include mining, logging, the steel mill, wilderness, and many other things. Each park could be host to intepreting one topic.	Thu, 12/20/07 2:45 PM
 Find	113. Entry tolls could be coupled with admissions to other venues.	Thu, 12/20/07 2:41 PM
 Find	114. People that want to use a state park with RV sites, off-road and snowmobile trails can go to some other state park.	Thu, 12/20/07 1:34 PM
 Find	115. The park could offer special deals on visiting the Tower/Soudan Mine. This would be a good way to promote both the mine and the new park. Another idea would be to connect with some local dog sledding groups and provide trails for this and other unique outdoor activities (kicksledding, etc.)	Thu, 12/20/07 8:53 AM
 Find	116. All government agencies have to get on the same page and promote the area with its many diversities	Wed, 12/19/07 8:22 PM
 Find	117. The golfing destination in northern mn	Wed, 12/19/07 6:49 PM
 Find	118. It is too near the BWCA plus other state and county parks. The land should be sold for private development and remain on the tax rolls.	Wed, 12/19/07 5:48 PM
 Find	119. It will be connected to the Soudan mine, which is already an attraction	Wed, 12/19/07 4:28 PM
 Find	120. Connect snowmobile trails. Connect Cross Country ski trails. Interpretive center that capitalizes on the rich mining, logging and forestry history of the area.	Wed, 12/19/07 3:06 PM
 Find	121. By making information about them available in a park building so that visitors could pick among them as they appeal to individual interests.	Wed, 12/19/07 2:31 PM

 Find	125. offer see them all tickets and tours (bus and water taxis)	Wed, 12/19/07 12:09 PM
 Find	126. being so far removed from Bearhead it would be more a matter of someone coming to one then moving to another-I.T.V? maybe it could be linked via cameras and video feed for naturalist programs etc	Wed, 12/19/07 11:56 AM
 Find	127. Shuttle service to Tower Sudan Mine,and day use areas.	Wed, 12/19/07 11:30 AM
 Find	128. Publicity, information pamphlets at other visitor centres throughout your state.	Wed, 12/19/07 10:30 AM
 Find	129. I think it ties easiliy with the nearby BearHead and Tower Soudan (three very different state parks within close proximity is a bonus!) Fishing, BWCAW, sightseeing, hiking and cross-country skiing---the area offers a wide variety of recreation and people come to areas that offer that variety.	Wed, 12/19/07 10:25 AM
 Find	130. purchase as much land as possible - they're not making any more of it.	Wed, 12/19/07 10:00 AM

 Find	147. Leave the other parks alone	Mon, 12/17/07 12:18 PM
 Find	148. Vermillion Lake is a large lake with resorts and cabins. The Tower area is located within easy driving distance from the BWCA, other state parks and federal campgrounds. With time, it would become an integral part of family vacations as they plan their time in the northwoods.	Mon, 12/17/07 11:27 AM
 Find	149. biking/cross-country ski trails; boundary waters access from this park	Mon, 12/17/07 8:56 AM

 Find	150. Ability to show the clientele what the area offers outside the park.	Mon, 12/17/07 8:54 AM
 Find	151. I am sure the Casino is loving this idea.....they would probably be the ones to profit the most from this State funded venture.	Sun, 12/16/07 6:23 PM
 Find	152. set up some lodging in between there and the Sudan State Park	Sun, 12/16/07 4:24 PM
 Find	153. Snowmobile trails, bike trails.	Sun, 12/16/07 2:56 PM
 Find	154. There aren't a lot of other areas close, the other campgrounds have been there forever and I don't know what advantage they provide to a new park. Now that I think about it a package including the Soudan Mine could attract more visitors to either place.	Sun, 12/16/07 10:16 AM
