The Red Lake Reservation and scattered parcels of reservation land in the surrounding area are closed to non-band members of the Red Lake Band of Chippewa except by authorization of the tribal council. Most of those lands are not posted, but they are marked in ownership plat books for Beltrami, Lake of the Woods, Koochiching, and Roseau counties. Please see the 2018 Hunting and Trapping Regulations Handbook for more information.

2018 DEER PERMIT AREA BOUNDARY CHANGES ALONG THE MOOSE RANGE

Deer Permit Areas

Deer Permit Areas in Northeast Minnesota were realigned in 2017 to better reflect where deer and moose are on the landscape, reduce disease and parasite transmission from deer to moose, and enhance management of both deer and moose. These changes involved 2016 deer permit areas 122, 127, 176, 178, 180 and 181. The changes affect 2018 deer permit areas 130, 133, 137, 176, 178 and 181.

Rifle/Shotgun Restrictions

In the southern and western portion of the state shown in the map below, the only legal firearms for deer are shotguns using slugs, muzzleloaders, and handguns. Muzzleloaders may be used throughout the state during the regular firearms seasons.
