

CAMPGROUND HOST PROGRAM

THE CAMPGROUND HOST VOLUNTEER PROGRAM

MINNESOTA DEPARTMENT OF NATURAL RESOURCES

CAMPGROUND HOST PROGRAM

DIVISION OF PARKS AND RECREATION

Introduction

This packet is designed to give you the information necessary to apply for a campground host position. Applications will be accepted all year but must be received at least 30 days in advance of the time you wish to serve as a host. Please send completed applications to the park manager for the park or forest campground in which you are interested. Addresses are listed at the back of this brochure. General questions and inquiries may be directed to:

Campground Host Coordinator
DNR-Parks and Recreation
500 Lafayette Road
St. Paul, MN 55155-4039
651-259-5607
kris.backlund@dnr.state.mn.us

Principal Duties and Responsibilities

During the period from May to October, the volunteer serves as a "live in" host at a state park or state forest campground for at least a four-week period. The primary responsibility is to assist campers by answering questions and explaining campground rules in a cheerful and helpful manner. Campground Host volunteers should be familiar with state park and forest campground rules and should become familiar with local points of interest and the location where local services can be obtained.

Volunteers perform light maintenance work around the campground such as litter pickup, sweeping, stocking supplies in toilet buildings and making emergency minor repairs when possible. Campground Host volunteers may be requested to assist in the naturalist program by posting and distributing schedules, publicizing programs or helping with programs.

Volunteers will set an example by being model campers, practicing good housekeeping at all times in and around the host site, and by observing all rules.

Campground Host volunteers generally work independently. Volunteers are accountable to the park manager who will provide training and orientation for hosts and assist hosts throughout the season with any question or problems that may arise.

CAMPGROUND HOST PROGRAM

GUIDELINES FOR CAMPGROUND HOST PROGRAM

- WHEN*** The Campground Host Program runs from May to October. At other times of the year, campground hosts may be used as needed and at the discretion of the campground manager.
- HOW LONG*** Volunteers are expected to serve at a campground for a period of four weeks. Consideration may be given to extend this period provided qualifications and schedules can be maintained. Consideration may also be given to shorten this period if special circumstances occur. Such provisions are at the discretion of the campground manager.
- SELECTION*** Campground hosts will be selected from applications that have been satisfactorily completed and submitted in a timely manner. Interviews will be conducted by the campground manager. Hosts may be limited to two consecutive years at the same campground, but may return after a one year absence.
- BACKGROUND CHECK*** All DNR volunteers must undergo a background check. This is done at the time of selection. This also applies to hosts returning from the previous season.
- AGREEMENT*** Each campground host signs an agreement with the Department of Natural Resources at the time of selection. This also applies to hosts returning from the previous season.
- CANCELLATION*** Either party entering into this agreement has the option to cancel for a valid reason and give notification to the other party. The host shall vacate the campground site by the termination date agreed upon. In the event of campground closings, host agreements may be canceled immediately.
- TERMINATION*** Campground Host volunteers may be terminated and required to vacate the site if job performance is deemed unsatisfactory.
- HOST BENEFIT*** Campground hosts are provided a free campsite in return for services provided. A campground host's camping unit and equipment may remain on site during the full time of the agreement. Hosts and guests must purchase a vehicle permit when in state parks.

CAMPGROUND HOST PROGRAM

- CAMPSITE*** The DNR will select the site and facilities to be used by the campground host. Generally, the site shall be close to the campground entrance.
- EQUIPMENT*** The campground host provides their own camping unit, equipment and personal items. Other equipment needed to perform duties may be provided by and at the discretion of the campground manager.
- WORK WEEK*** Campground hosts are to provide service for four to five days a week to include weekends and holidays. They may be off duty two to three weekdays. Days off are mutually agreed to by the campground manager and the host.
- HOURS*** Campground host on-duty hours will be mutually agreed to by the campground manager and the host.
- ON-CALL*** Campground hosts are "on-call" to assist other campers at all times of the day or night. Campground hosts should attempt to greet new campers, introduce themselves and share information about the campground and the park.
- DUTIES*** Campground host duties will include light cleanup in the campground (a few hours each day), keeping toilet buildings neat between visits of regular cleaning crews, assisting and directing visitors to campsites, explaining camping fees, assisting with camping activities, assisting naturalists, assisting office and contact station personnel, and providing information.
- PROHIBITIONS*** Campground hosts normally will not collect money nor operate state vehicles unless authorized.
- NO ENFORCEMENT DUTIES*** Campground hosts will take no law enforcement measures other than being observant and advising campers of minor rule violations. Violators of major infractions will be reported to state park personnel.
- IDENTIFICATION*** A sign which reads "Campground Host" will identify the host site. An adult member of the host family will be provided with a Campground Host name tag. No uniforms are worn nor should hosts be identified with official state employee insignia.
- RULES*** Campground hosts shall comply with all rules and policies the Department of Natural Resources at all times.

CAMPGROUND HOST PROGRAM

Please send your completed application to the state park listed as your first choice. If the position is filled, your application will be forwarded to your next choice.

CAMPGROUND HOST PROGRAM

You may also choose to apply for a Campground Host position at a state forest campground. Forest campgrounds are listed below by their location within a state forest. If you select a forest campground as your 1st choice, send your completed application to the State Park responsible for administrating that forest campground or you may list a forest campground as your 2nd or 3rd choice on your application. Be sure to list the name of the forest campground on your application not the name of the state forest in which it is located or the state park responsible for its administration.
