--- NOTICE ---

If a DNR permit is required for the work proposed, **you will be billed the appropriate fee.** Return this form with your application. Applications will be considered withdrawn if no fee is received after 30 days of billing and no further action will be taken. Permits cannot be issued until all fees have been paid. The permit application fee for work partially or wholly completed prior to the permit application is double the normal fee; if a field inspection is also required, the application fee will be double the normal fee plus the actual cost of the field inspection (not less than \$100).

ALL FEES ARE NONREFUNDABLE
