Subp. 15. **Chronic wasting disease surveillance block.** "Chronic wasting disease surveillance block" means deer permit areas 213, 214, 215, 218, 219, 234, 237, 238, 250, 252, 253, 270, 272, 273, 274, 275, 277, 278, 279, 280, 281, 282, 283, 284, 286, 288, 289, 290, 291, 294, 295, 296, 299, 671, and 685.

6232.0300 GENERAL RESTRICTIONS FOR TAKING DEER.

Subpart 1. **Season options, regular firearms.** ~~A firearm deer hunter may purchase a firearm license valid for the regular firearms deer season or a youth firearms license. A muzzleloader deer hunter may purchase a muzzleloader license valid for the muzzleloader season or a youth muzzleloader license.~~ For the regular firearm season, a hunter must select either the ~~A or B~~ firearms or muzzleloader season ~~and this option will be printed on the license at the time of purchase~~. A person may ~~only~~ hunt deer by firearms only within the selected season ~~option indicated on the person's firearm license,~~ except:

A. as prescribed in part 6232.1970, subpart 2;

B. a firearm license for any season option is valid in ~~the Metropolitan Deer Management Zone~~ deer permit area 601 under part 6232.4700, subpart 158; ~~and~~

C. youth firearm license holders with a license issued under Minnesota Statutes, section 97A.475, subdivision 2 or 3, may hunt deer in both the statewide ~~A~~ and late southeast ~~B~~ seasons~~.~~; and

D. a regular firearms license is valid for either the firearms or muzzleloader season as indicated on the license.

[For text of subpart 2, see Minnesota Rules]

Subp. 3. **Party hunting.**

A. A party is a group of two or more licensed deer hunters who are afield hunting together and are all using firearms or all using archery equipment.

B. A member of a party may kill a legal buck or antlerless deer for another member of the party who has an unused tag valid for that deer~~, except:~~

~~A.~~ as provided by Minnesota Statutes, section 97B.301~~; and~~.

~~B. in all 300 series deer permit areas as prescribed in part 6232.1300, subpart 3, where unused tags can be used on antlerless deer only.~~

C. A mixed-weapons group is considered two separate parties.

D. Persons issued permits under Minnesota Statutes, section 97B.055, subdivision 3, who are hunting in ~~a~~ an antlerless lottery deer permit area and do not have an either-sex permit may not tag antlerless deer for another member of the party.

[For text of subparts 4 and 5, see Minnesota Rules]

Subp. 6. ~~**License purchase**~~ **Bonus permits and validation.**

A. A bonus permit may be purchased ~~any time throughout the open deer seasons. Bonus permits are valid immediately upon purchase, as long as the purchaser has a valid regular license. When a regular license is purchased after the start of the season for that license, a bonus permit is not valid until the waiting period has expired for the regular license.~~ before and during the open archery, firearms, and muzzleloader deer seasons. A bonus permit is not valid unless:

(1) it is issued before legal shooting hours on the day it is first used; and

(2) the hunter's regular license is valid under Minnesota Statutes, section 97A.411, subdivision 3.

B. Bonus permits are valid for taking deer by archery, firearms, or muzzleloader license holders in areas where taking more than one deer is authorized, except where taking or tagging more than one deer is authorized solely by landowner permits.

C. Unless otherwise specified, bonus permits are valid in archery, firearms, and muzzleloader special hunts, including early- or late-season hunts.

~~B.~~ D. Before a deer is moved from the site of kill, ~~the person tagging the deer must validate the tag~~ a site tag must be validated at the site of kill by the licensed deer hunter whose tag is being used on the deer. Validation consists of ~~using a knife or similar sharp object to cut out or a pen to indelibly mark the appropriate notches on the tag~~ indicating:

(1) the month the deer was taken;

(2) the date the deer was taken; and

(3) the time of day the deer was taken.

[For text of subpart 7, see Minnesota Rules]

Subp. 8. **Bag limit.**

A. Except in deer permit area 643, 645, 646, 647, 648, 649, and 655, a person may not tag more than one legal buck per calendar year using any combination of licenses. In deer permit areas 643, 645, 646, 647, 648, 649, and 655, a person may tag one legal buck during the archery season, the firearms season, and the muzzleloader season, but not more than three legal bucks per calendar year. A person may not tag more than one deer during a license year by any method, except as authorized in ~~items A to G~~ this subpart.

~~A.~~ B. In deer permit areas designated as ~~managed or intensive~~ two-deer limit, three-deer limit, or five-deer limit, a person may tag deer with an archery, firearms, or muzzleloader license.

~~B.~~ C. A person may tag a deer by archery, firearm, or muzzleloader with a bonus permit in specified areas as prescribed in this chapter.

~~C.~~ D. In no case may a person tag more than five deer per year by firearms, archery, muzzleloader, or all methods combined, except additional deer may be taken as provided in items ~~D~~ E, subitem ~~(4); E;~~ (5), and F~~; and G~~.

~~D.~~ E. Except as provided in items ~~E and~~ F and G, the total bag limits by deer permit area are as follows:

(1) the ~~total~~ bag limit for antlerless lottery, ~~hunter choice~~ either-sex, and ~~youth-only antlerless~~ bucks-only deer permit areas is one deer;

(2) the ~~total aggregate~~ bag limit for ~~managed~~ two-deer limit deer permit areas is two deer;

(3) the ~~total aggregate~~ bag limit for ~~intensive~~ three-deer limit deer permit areas is ~~five~~ three deer; ~~and~~

(4) the bag limit for five-deer limit deer permit areas is five deer; and

~~(4)~~ (5) in addition to the total bag limits under subitems (1) to ~~(3)~~ (4), a person with a free landowner deer license may take one ~~additional~~ antlerless deer on land owned or leased by the person in ~~managed~~ either-sex, two-deer limit, three-deer limit, and ~~intensive~~ five-deer limit deer permit areas. Landowner licenses are also valid during late hunts and the early antlerless deer season.

~~E.~~ F. Up to ~~two~~ three antlerless deer may be taken in the early antlerless deer permit areas as prescribed in part 6232.1750. These deer may be taken in addition to the bag limit established in item ~~C~~ D.

~~F. Hunters hunting in the Metropolitan Deer Management Zone under part 6232.4700, subpart 158, may take and tag an unlimited number of deer.~~

~~G. Muzzleloader and archery deer hunters hunting in deer permit areas 300 to 399 may take deer under the most liberal bag limits prescribed for the deer permit area.~~

G. Up to five either-sex deer may be taken in disease management hunt areas as prescribed in part 6232.1600. These deer may be taken in addition to the bag limit established in item D.

[For text of subpart 9, see Minnesota Rules]

6232.0400 REGISTRATION OF DEER.

[For text of subpart 1, see Minnesota Rules]

Subp. 2. **Registration requirements.**

[For text of item A, see Minnesota Rules]

B. Deer must be registered according to item A:

(1) before the deer is processed either privately or commercially; and

(2) within ~~24~~ 48 hours after the ~~close of the season in which the~~ deer was taken.

[For text of items C and D, see Minnesota Rules]

[For text of subpart 3, see Minnesota Rules]

Subp. 4. **General provisions for registration of deer.**

A. Registration agents are not required to inspect deer at registration stations. Legally registered deer may be transported anytime during or after the deer hunting season, except as prescribed in subparts 6 and 7.

B. No part of the carcass, except skin or entrails, may be removed until after the deer has been registered using one of the methods described in subpart 2, except that deer may be quartered prior to registration as long as all parts remain together ~~and are presented~~

~~for registration~~ and the head of the deer remains attached to one quarter. A person may not process a deer unless it has been registered as evidenced by a possession tag or registration confirmation number.

C. Authorized department staff may transport carcasses statewide when conducting department operations.

Subp. 5. [See repealer.]

Subp. 6. **Deer taken in chronic wasting disease management zone.**

A. Except as provided in items B and C, parts of a deer carcass that originate from a chronic wasting disease management zone that are not retained by the hunter must be disposed of by:

(1) providing the parts to a licensed Minnesota taxidermist for disposal according to Minnesota Statutes, section 97A.425;

(2) providing the parts to a Minnesota meat processor;

(3) disposing of the parts in a sanitary landfill; or

(4) if the deer was harvested on private property, keeping and disposing of the parts on the private property where the deer was harvested.

B. Carcasses of deer taken in chronic wasting disease management zones that have been tested for chronic wasting disease and for which the test results indicate that the disease was not detected may be disposed of in any lawful manner.

C. Enrolled members of Minnesota Tribal governments, as defined under Minnesota Statutes, section 10.65, subdivision 2, paragraph (a), clause (4), who take deer on lands held in trust by the Minnesota Tribal government that the member is enrolled in are exempt from this subpart.

Subp. 7. **Deer taken in the chronic wasting disease surveillance block.**

A. Except as provided in items B and C, deer, except fawns, taken on November 7 or 8, 2026, in the chronic wasting disease surveillance block must be submitted at a designated sampling station listed on the Department of Natural Resources website for chronic wasting disease sampling within 24 hours of harvest.

B. Hunters who are submitting samples via the department hunter mail-in sample program rather than at a check station must have their samples postmarked within 72 hours of harvest. Hunters must obtain mail-in kits before taking the deer to comply with the sampling requirement.

C. Enrolled members of a Minnesota Tribal government, as defined by Minnesota Statutes, section 10.65, subdivision 2, paragraph (a), clause (4), who take deer on lands held in trust by the Minnesota Tribal government they are enrolled in are exempt from this subpart.

6232.0700 LEGAL DEER BY ARCHERY.

Antlerless deer and legal bucks may be taken by archery, except that archery hunters may not take antlerless deer in ~~lottery~~ bucks-only deer permit areas ~~that have no either-sex permit quota~~ or in antlerless lottery deer permit areas that have a quota of youth antlerless permits for firearms deer hunters under part 6232.1800.

Subp. 9. **Disease management hunts.**

A. To participate in the special hunt under item B, hunters must purchase a disease management permit according to part 6232.1980 or possess an unused site tag from a Minnesota landowner license, youth or adult firearm license, youth or adult muzzleloader license, youth or adult archery license, bonus permit, or early antlerless permit. During the special hunt under item B:

(1) hunters may tag deer of either sex with disease management tags or unused site tags from a landowner license, youth or adult firearm license, youth or adult muzzleloader license, or youth or adult archery license. Hunters using a landowner license are not required to use it on their property when participating in the disease management hunt;

(2) bonus permits and early antlerless permits may only be used on antlerless deer;

(3) firearm hunters in deer permit areas 605, 642, 643, 645, 646, 647, 648, 649, and 655 may use only legal firearms or legal crossbows for taking deer; and

(4) a person using an unused tag from a firearms license must use a firearm or crossbow, a person hunting with an unused tag from a muzzleloader license must use a muzzleloader, and a person hunting with an unused tag from an archery license must use

archery equipment. Persons hunting with a disease management permit may hunt with archery equipment, a firearm, or a muzzleloader.

B. The special hunt is open December 18 to 20 as provided in item A. Deer taken under this special hunt, as prescribed in this item, do not count toward the bag limit established under part 6232.0300, subpart 8, item D. Up to five either-sex deer may be taken by firearms, muzzleloader, and archery, unless otherwise indicated, in the following areas:

(1) deer permit areas 605, 642, 643, 645, 646, 647, 648, 649, and 655 as described in part 6232.4700, subparts 95, 96, 97, 98, 99, 100, 101, 102, 164, and 168;

B. The following deer permit areas are bucks-only deer permit areas: 118, 119, 126, 130, 131, 132, and 203.

C. The following deer permit areas are antlerless lottery deer permit areas: 104, 107, 109, 110, 111, 133, 153, 154, 155, 156, 169, 171, 172, 173, 176, 177, 178, 181, 197, 199, 234, 237, 238, 259, 270, 272, 274, 278, 280, 282, 297, and 298.

D. The following deer permit areas are either-sex deer permit areas: 114, 117, 159, 208, 235, 246, 250, 251, 252, 253, 258, 260, 269, 275, 284, 286, 287, 288, 294, 295, 296, 666, 679, and 684.

E. The following deer permit areas are two-deer limit deer permit areas: 101, 105, 152, 157, 201, 210, 224, 239, 248, 249, 256, 262, 263, 273, 279, 283, 289, 291, 644, and 671.

F. The following deer permit areas are three-deer limit deer permit areas: 182, 209, 213, 214, 215, 218, 219, 221, 222, 223, 225, 227, 229, 230, 232, 233, 236, 240, 241, 254, 255, 257, 264, 265, 267, 268, 277, 281, 290, 292, 293, 299, 338, 341, 604, 642, 655, 661, and 685.

G. The following deer permit areas are early antlerless deer permit areas: 213, 214, 215, 218, 219, 221, 222, 223, 225, 227, 229, 236, 240, 277, 341, 601, 605, 642, 643, 645, 646, 647, 648, 649, 661, and 685.

H. The following deer permit areas are five-deer limit deer permit areas: 601, 605, 643, 645, 646, 647, 648, and 649.

6232.1800 EITHER-SEX PERMITS AND PREFERENCE DRAWINGS.

[For text of subpart 1, see Minnesota Rules]

Subp. 2. **Preference drawings for either-sex ~~permits in lottery deer permit areas~~ and special hunt area permits.**

A. If the number of applications for either-sex permits in ~~a~~ an antlerless lottery deer permit area or for permits in a special hunt area exceeds the ~~quota set forth in the annual~~

~~hunting regulations~~ number of available permits, a preference drawing ~~will~~ must be used to select permit holders.

B. Eligible persons ~~12 years of age or older~~ may enter the preference drawing by supplying their driver's license number, official state of Minnesota Identification Number, or ~~13-digit~~ Firearms Safety Identification Number on the application~~, except that resident hunters under age 16 on the Saturday nearest November 6 may not apply for either-sex permits~~.

C. All applicants who have reached their 18th birthday by the first Thursday following Labor Day must provide one of ~~these three~~ the identification numbers in item B to qualify to enter the preference drawing.

D. Applicants under 18 years of age who do not submit one of ~~these~~ the identification numbers will be assigned a number and will be entered into the preference drawing.

E. Applicants establish ~~a~~ separate preference ~~rating~~ ratings for either-sex permits and special hunt area permits based upon the number of times they have applied ~~in previous years~~ for each respective permit type and have not obtained ~~an either-sex or special hunt area~~ that permit.

F. ~~The~~ An applicant's preference rating ~~will increase~~ increases each year the applicant applies unsuccessfully for ~~either~~ an either-sex or special hunt area permit, but only for the specific permit type for which the applicant applies.

(1) Persons applying for the first time for either permit type have no preference rating for that permit type.

(2) Applicants receiving an either-sex ~~or~~ permit lose all accrued preference for either-sex permits only. Applicants receiving a special hunt area ~~permits~~ permit lose ~~their~~ all accrued preference for special hunt area permits only.

G. Hunters are limited to one special hunt area permit application per year. Each special hunt area permit application requires a nonrefundable $1.00 application fee.
