Dear Governor Pawlenty:

Attached are four reports to the State Executive Council concerning the status of the state timber sales and timber management programs administered by the Department of Natural Resources, Division of Forestry. These reports are a requirement of Minnesota Statutes, section 90.172, subd. 2, and cover the following reporting periods:

- Fiscal Year 2009—July 1, 2008–June 30, 2009

This report is due each year on September 30. As the most recent report was being prepared for the Fiscal Year 2009 summary, it was discovered that the reports for fiscal years 2006, 2007, and 2008 had never been "officially" submitted. Please be assured that each council member has now been sent individual copies of the reports, and the required number of copies of each report has been sent to the Legislative Reference Library as well. This report is now included on our "calendar of reports" and we shouldn't miss another deadline.

Please contact Director David Epperly, Division of Forestry at 651-259-5289 if you have any questions or concerns.

Sincerely,

Mark Holsten
Commissioner
