Dear Jess:

Attached are five reports to the Legislative Reference Library providing detailed information on all timber auctions and informal timber sales administered by the Department of Natural Resources, Division of Forestry. These reports are a requirement of *Minnesota Statutes*, section 90.172, subdivision 1, and cover the following reporting periods:

- Fiscal Year 2010—July 1, 2009–June 30, 2010
- Fiscal Year 2009—July 1, 2008–June 30, 2009
- Fiscal Year 2008—July 1, 2007–June 30, 2008
- Fiscal Year 2007—July 1, 2006–June 30, 2007
- Fiscal Year 2006—July 1, 2005–June 30, 2006

This report is due each year on September 30 and provides timber sale information from the previous fiscal year. However, the official reports for the fiscal years mentioned above were never submitted. An electronic copy of each report has been sent to the Legislative Reference Library as well and will be posted on the DNR's website at www.dnr.state.mn.us/aboutdnr/reports/index.html#Legislative. *Minnesota Statutes*, section 90.172 was repealed during the 2010 legislative session so these are the last reports with this information that the Legislative Library will receive.

Please let me know if you have questions or need additional information.

Sincerely,

A handwritten signature in black ink that reads "Meg Hanisch".
