

## Native plant nurseries and native vegetation consultants for NORTHEAST Minnesota

Some nurseries on this list sell a mix of Minnesota native, non-native, or horticultural varieties of plants. Minnesota wildlife including pollinator species benefit most from Minnesota native plants because they developed together. To find out what is native to your area, visit the [DNR's MN Taxa Plant lists](#) or the [MN Wildflowers website](#).

<b>Supplier</b>	<b>Upland Perennials</b>	<b>Aquatic Perennials</b>	<b>Shrubs and Trees</b>	<b>Bee Lawns<sup>1</sup></b>	<b>Products and Services</b>
