Have you received a DNR community forestry grant in the past? Yes No Don't Know

Are you outside of the 7-county Twin Cities metropolitan region? Yes No
(Applications outside the 7-county metro will receive 9 priority points)

Project Overview and Need (25 points; 2,050 character maximum including spaces) *Provide a summary of the project, why this funding is needed, what project work will not happen without these grant funds, and expected outcomes. This should include a description of the project location (citywide project, specific parks, etc.). A successful application will demonstrate a readiness to take on a project of the proposed scope and size, and will focus on significant public safety concerns.*

Project Timeline (20 points; 2,600 character maximum including spaces) *Describe the approximate project schedule showing intermediate steps and milestones for activities described in this application or required by the RFA. A successful timeline will provide specific dates, is easy to comprehend, and will follow EAB best management practices.*

Project Budget Explanation (10 points; 2,200 character maximum including spaces)

Provide additional remarks to clarify the budget request. Provide an explanation of how you are funding portions of your project that are not eligible with grant dollars. A successful budget will provide specific dollar amounts for anticipated use, be financially realistic, and cost effective. Budget attachment will be correctly calculated. Projects that plant more trees than they remove will be provided additional points.

Project Impacts on Priority Populations (20 points; 2,200 character maximum including spaces)

This grant opportunity aligns with state initiatives to reduce disparities in health and environmental quality for diverse populations. A successful proposal will serve and include areas of concern for environmental justice (communities with higher populations of low-income residents and/or people of color, including tribal communities); the applicant will describe actionable items for those communities, and how those communities will be engaged through the project.

Communication (8 points; 2,200 character maximum including spaces) *Describe the methods you will use to conduct outreach to citizens about this grant project. A successful communication strategy will use multiple formats that have the potential to reach the public, and will incorporate EAB-related messaging.*

Key Personnel (8 points; 2,200 character maximum including spaces) *List all certifications and degrees for staff or contractors involved in the project. Describe the duties internal staff will conduct, and any work that will be contracted out, or the partnerships you will leverage to complete tasks. Include key personnel and their past experience with similar tasks. If you expect to contract work out, describe requirements you will have for contractors.*
