

Off-Highway Vehicle Grant-in-Aid Program

Form 5

Emergency Amendment Application

This application should be used to apply for funding to restore trails to their original condition after an unforeseen event such as fires, floods, thunderstorms, abnormally heavy snowfall events, or other natural disasters.

Emergency amendment applications can be submitted to your local Area Supervisor at any time. Funding granted for a given project is subject to the discretion of DNR Staff and requests may not be funded in full. This application does not guarantee how much funding a project will receive.

Please fill out this application in full. Boxes outlined in red are required. Boxes outlined in green are dropdown menus with pre-set options. Boxes outlined in blue will be automatically calculated and filled. Please enter all dates in MM/DD/YYYY format. This form will display and function best when downloaded and filled out using Adobe Acrobat Reader. The latest version can be downloaded from [Adobe's website](#).

1. Trail Information

Trail name
Club name
Location of club (city, state)
Local government unit sponsor
Miles of trail in GIA system
Miles of trail effected/in need of repair
