Riding in a State Forest

Minnesota state forests have been classified into three categories for off-highway vehicle and motor vehicle use: Managed, Limited and Closed. For more information about these classifications, and individual forest information, please visit: mndnr.gov/state_forests

Most state forests are made up of a combination of state, county, federally and privately owned lands, but are not signed or identified as such in the field.

- County and federal lands have their own rules for use.
- You must have the landowner's permission to enter privately owned land, and trespass laws apply.
- Many grant-in-aid trails (identified by signs) cross private lands and are closed to other uses.
- Tribal lands in state forests are always closed to non-band members.

In **MANAGED** forests you may ride on all state forest roads, signed trails and non-designated routes that are not posted closed.

Beltrami Island	Grand Portage (portions)	Pine Island
Big Fork	Kabetogama	Red Lake
Blackduck	Koochiching	Smokey Bear
Cloquet Valley (portions)	Lake of the Woods	Sturgeon River (portions)
Finland (portions)	Lost River	
George Washington (portions)	Northwest Angle	

In **LIMITED** forests you may ride on all forest roads and trails signed for specific motor vehicle use.

Badoura	George Washington (portions)	Rum River
Bear Island	Golden Anniversary	Savanna
Bowstring	Grand Portage (portions)	St. Croix
Buena Vista (portions)	Hill River	Smoky Hills
Burntside (portions)	Huntersville	Snake River (portions)
Centennial	Lake Jeanette (portions)	Solana
Chengwatana	Land O'Lakes	Sturgeon River (portions)
Cloquet Valley (portions)	Lyons	Two Inlets
Crow Wing	Mississippi Headwaters	Wealthwood
Daughters of the American Revolution (D.A.R.)	Nemadji	White Earth
Emily	Pat Bayle	Waukenabo
Finland (portions)	Paul Bunyan	
Fond du Lac	Richard J. Dorer Memorial	
Foothills	Hardwood (with no hunter exceptions)	
General C.C. Andrews	Remer	

In a **CLOSED** forest, you may ride only on forest roads using a highway-licensed vehicle

Battleground	George Washington (portions)	Snake River (portions)
Birch Lakes	Insula Lake	Sturgeon River (portions)
Buena Vista (portions)	Lake Isabella	Welsh Lake
Burntside (portions)	Lake Jeanette (portions)	Whiteface River
Cloquet Valley (portions)	Pillsbury	
Finland (portions)	Sand Dunes

Forests with OHV Campgrounds

A Few Things to Keep in Mind

A little planning will go a long way to ensure a fun and safe riding experience. It is recommended that every operator learn safe operation by attending a safety training course and remember to wear a Department of Transportation (DOT) approved helmet. Before heading out on the trails, review the current *Off-Highway Vehicle Regulations* booklet.

Always Check for Trail Closures

Spring thaw, firearms deer hunting season, trail repairs, heavy rains, logging, natural resource protection or public safety concerns may create a need for temporary trail and road closures. Many closures are unpredictable; always check mndnr.gov/ohv/closures.html before you ride.

Vehicle Types

The term Off-highway Vehicle (OHV) includes All-terrain Vehicles (ATVs), Off-highway Motorcycles (OHMs), and Off-road Vehicles (ORVs). ATVs, OHMs and ORVs each have separate registration and operating laws.

CLASS 1 ATVs have a total width of 50 inches or less from outside of tire rim to outside of tire rim.

CLASS 2 ATVs have a total width greater than 50 inches but not more than 65 inches from outside of tire rim to outside of tire rim.

OFF-HIGHWAY MOTORCYCLE (OHM) OHMs are motorized off-highway vehicles with two wheels and a seat or saddle designed to be straddled by the operator, with handlebars for steering control.

OFF-ROAD VEHICLES (ORV) ORVs are motorized recreational vehicles capable of cross-country travel on natural terrain.

All-Terrain Vehicle (ATV)

ATVs are motorized vehicles with at least three, but no more than six, low-pressure or non-pneumatic tires (not filled with or containing compressed air) with a total dry weight less than 2,000 pounds and a total width of 65 inches or less from outside of tire rim to outside of tire rim. ATVs include Class 1 and Class 2.

Safety Training

Visit mndnr.gov/ohv/safetyfirst.html for information and to find a class near you.

- ATV safety training is required for all riders born after July 1, 1987, who are riding on state or grant-in-aid trails.
- OHM safety training is required for all riders under the age of 16 and riding on state or grant-in-aid trails.
- ORV safety training is available for ages 16 and older.

Rules and Regulations Booklet

For a summary of Minnesota's safety laws, rules and regulations for off-highway vehicles, please read the current *Off-Highway Vehicle Regulations* booklet. You can find the booklet on line at mndnr.gov/regulations/ohv/ or request that it be mailed to you by calling 651-296-6157.

Trail Difficulty Ratings

Easiest: Intended for novice riders who have mastered basic skills. Generally, the trail is wide with wide turns, gradual hills and level surfaces.

More Difficult: Intended for enthusiasts with well-developed skills. The trail may be narrow with tighter turns as well as steep hills and uneven surfaces.

Most Difficult: Suitable only for proficient or expert riders. Expect parts of the trail to be very narrow with tight turns, very steep hills and uneven surfaces.

Trail Difficulty Ratings

PRO TIP

Trail difficulty ratings are typically in comparison to other trails in the area. A "more difficult" trail in one place, may be an "easiest" or "most difficult" in another place. Check with the trail contact before riding to understand the exact trail conditions.

For current trail conditions, map downloads, nearby services, and more, check out mndnr.gov/ohv

OHV Vehicle Registration

To ride on state or grant-in-aid trails the OHV must be registered with the Minnesota Department of Natural Resources (DNR) or have a trail pass. Trail passes may be purchased for resident ORV or nonresident ATV, OHM or ORV operators. Registration and trail pass funds directly support OHV opportunities by providing funding for trail construction and maintenance.

First-time Registrations

First-time registrations must be done in person during business hours at any deputy registrar of motor vehicles (where you license your car) or at the DNR License Bureau in St. Paul (500 Lafayette Road).

Registration Renewals

Renew your off-highway vehicle registration in person during business hours at any deputy registrar of motor vehicles (where you license your car) or at the DNR License Bureau in St. Paul (500 Lafayette Road) or 24 hours a day at mndnr.gov/buyalicense or phone: 888-665-4236.

Resident Off-Road Vehicle (ORV) Trail Pass

If you are a resident of Minnesota and you would like to operate an ORV on state or grant-in aid trails, you may purchase a resident trail pass that is valid for 30 consecutive days after the date of issuance. You will not need a trail pass if the vehicle you are riding is registered as an ORV in Minnesota or if you are riding on a portion of a trail that is owned by you or your spouse, child or parent.

Nonresident State Trail Pass

If you are not a resident of Minnesota and you are operating an ATV, OHM or ORV on state or grant-in aid trails, you will need a nonresident state trail pass. You will not need a trail pass if the vehicle you are riding is registered in Minnesota or if you are riding on a portion of a trail that is owned by you or your spouse, child or parent.

Purchasing a Trail Pass

You can purchase trail passes 24 hours a day at mndnr.gov/buyalicense or phone: 888-665-4236. You can also purchase them in person during business hours at Electronic License System (ELS) agents and deputy registrar offices. Find locations at mndnr.gov/licenseagents.

Free Riding Opportunities

ATV Free Riding Weekend

Each year, the weekend of the second Saturday in June is designated as “No Registration Weekend.” ATV registration and nonresident ATV trail passes are not required to ride on state and grant-in-aid trails. In 2025, these dates are June 14-15, and in 2026 they are June 13-14.

ORV Day of Free Riding

Each year, on the third Saturday in May, ORVs may operate in the Iron Range OHV State Recreation Area (only) without registration. In 2025, this date is May 17 and in 2026, it is May 16.

New Trails

FireFrost	page 13
Herb Brandstrom	page 19
Hibbing to Alborn	page 19
Quad Cities	page 23
Wilderness Trail	page 26

New trails may be added after publication of this OHV Atlas. Visit mndnr.gov/ohv/az.html for an up-to-date trail list.

OHV riding in Minnesota National Forests

Minnesota has two national forests, the Chippewa and the Superior. Both offer OHV opportunities. For more information, visit a U.S. Forest Service office, or check out their OHV Recreation websites.

- Chippewa NF OHV recreation:
fs.usda.gov/activity/chippewa/recreation/ohv
- Superior NF OHV recreation:
fs.usda.gov/activity/superior/recreation/ohv

Other OHV riding in Minnesota

Some Minnesota townships, cities and counties allow certain OHVs to be ridden on roads. Riders should contact their specific local government for more information.

Stay on the trail

PRO
TIP

Many trails in Minnesota cross private land. Respect these land owners and their neighbors by staying on trail. In 2022, the fines for trespassing increased to up to \$1,000 for the third trespass offence

LONG DISTANCE TRAILS

Prospectors Trail

(see maps on pages 74-75)

187 miles

Open May 1 to October 31

Contact

Ron Potter, 218-365-3766
rgpotter109@gmail.com

Parking and trail access

Trailhead parking is available in the communities of Ely, Babbitt, Embarrass, Tower and Soudan.

- Ely: Trailhead parking on very west side of town at intersection of Highway 169 and 4th Avenue W.
- In Babbitt, travel .5 miles west on Highway 70 to the softball fields on south side of Highway 70. Parking area is here on west side of softball fields.
- Embarrass: parking area directly east of Highway 21 across from Timber Hall.
- Tower-Soudan: Travel .2 miles south on Highway 135 from Highway 169, parking area on right (west) of road, directly south of Lamppa Manufacturing.

Helmet on for safety!

CO
TIP

Wear a DOT rated helmet to prevent a life changing injury or death. Accident data is showing lack of helmet use, resulting in unnecessary traumatic injuries to head and neck.

Wearing a seat belt and having a roll-over protective structure do not give adequate protection to occupants. Youth under age 18 are required to wear a helmet.

NORTHEAST

Alborn-Pengilly Railroad State Trail

(see map on page 31)

39 miles

- Additional parking is available at the east end of the trail, just east of Hoyt Lakes, off Highway 110.
- Additional parking is available near Sabin Lake in Biwabik, take Highway 135 to Giants Ridge Road, go north on Giants Ridge Road to Lake Mine Road, go east on Lake Mine Road to the parking area just north of Sabin Lake.

Share
the trail

PRO
TIP

Here's what to do when you meet others on the trail:

- Highway-licensed vehicles: Stay to the right side and use caution.
- Hikers and bicyclists: Slow down and yield.
- Horse riders: Stop and wait for the rider to signal whether to continue slowly or stay stopped until the horse and rider pass you.

Being courteous goes a long way to help keep trails open and ensure a fun day for everyone.

Emily-Blind Lake

(see map on page 46)

16 miles

Open May 15 to November 1

Contact

Perry May, 612-919-5806
ptmdmay@comcast.net

Parking and trail access

Parking available in Emily or south of Aitkin County Road 3 along the Blind Lake Connector Trail.

Fond du Lac State Forest Trails

(see map on page 48)

37 miles

Open year-round (Parts of trail shared with snowmobiles from December 1 to April 1. Visit mndnr.gov/winterohv for more information.)

Parking and trail access

- From Two Harbors travel north on Highway 2 for approximately 9 miles, then turn right on the Alger Grade. The parking lot is 200 feet ahead on the south side of the road.
- From Two Harbors travel north on Highway 2 for 3 miles, left onto Highway 12 travel 3 miles, turn right onto Moen Road which becomes Drummond Road and continue to Britton Pit Road, turn right and travel approximately .75 of a mile to the gravel parking area.
- From Silver Bay travel west on Forest Highway 11 for 7 miles, parking lot is on the north side of the road.

Wilderness Trail

(see map on page 100)

60 miles

Open May 15 to November 1

Contact

Ron Danielson, 218-259-5938

Parking and trail access

- Primary parking is available at: Hayslips Corner, Talmoon, Minnesota, at the intersections of TH 6 and TH 286 and the trail head of the Bigfork to Balsam trail in Bigfork.
- Parking is also available at many of the local businesses that are located on the trail and the Marcell Snowdrifter's Club property in Marcell just south of Frontier Sports on TH 38.

OHV TRAILS

And non-motorized users

PRO
TIP

Many OHV trails are open to multiple uses. When encountering non-motorized trail users, please stop and allow them to pass.

Chatfield Trail

(see map on page 39)

19 miles

Open May 1 to October 31

Contact

Bernie Hammell, 507-867-4410
June Hammell, 507-251-2436
hammell.bernie@hotmail.com

Parking and trail access

From Chatfield, go 1 mile north on Highway 74. Parking is on the right.

Dailey Pits Trails

(see map on page 43)

8 miles

Open May 15 to November 1

Contact

George O'Neil, 763-310-9025
Dailey Pit OHM Trails are currently under construction.
Please check the DNR website for the latest updates:
mndnr.gov/ohv/interactive_map/index.html

Parking and trail access

Parking lot/trailhead is located on east entrance off 150th Avenue. From state Highway 169, go west on County Road 21 for 3 miles, then turn south on 150th Avenue for 1 mile. Entrance is on west side of road.

Foxy Loop

(see map on page 88)

3 miles

Open April 1 to November 30

Contact

C.J. Curry, 218-341-1166
katie_currie@hotmail.com

Parking and trail access

From Isle on Highway 27, go south on County Road 17 for 1 block to signed parking east of road. Foxy Loops are reached by heading east on Soo Line Trail.

Mille Lacs ORV Park

(see map on page 68)

5 miles

Open year-round

Contact

Sponsor: Dillon Hayes
Dillon.hayes@millelacs.mn.gov
Club: Henry Strater
henry.strater@mn4wda.com

Parking and trail access

The park entrance is located off 300th Street approximately 500 feet east of the U.S. Highway 169 intersection. Parking is available inside park boundaries.

Winter OHV Riding

PRO
TIP

Winter OHV riding is increasing in popularity. Many OHV facilities included in this atlas are open for winter riding. Look for the snowflake in the trail description of this atlas or visit mndnr.gov/winterohv.

CENTRAL CONTINUED

Snake Creek Trail

(see map on page 85)

12 miles

Open May 1 to October 31

Contact

Minnesota DNR, State Parks and Trails, Rochester,
507-206-2847.

Parking and trail access

From Kellogg, go 3.5 miles south on Highway 61, users can access unit from 608th Street. There is an access sign. Follow road until reaching the lot.

Southeast Minnesota Trail

(see map on page 90)

13 miles

Open May 15 to October 31

Contact

Lee Potter, 507-450-7190

Parking and trail access

From Stockton, go 1 mile west on Highway 14 to parking area.

Trout Valley Trail

(see map on page 97)

6 miles

Open May 1 to October 31

Contact

Minnesota DNR, State Parks and Trails, Rochester,
507-206-2847

Parking and trail access

From Winona, go 15 miles northwest on Highway 61, then 1.7 miles southeast on County Road 29.

OHV Campgrounds in State Forests

PRO
TIP

Looking for a campground where you can ride from your campsite to the open forest trails and roads with no trailering? mndnr.gov/state_forests

- Beltrami Island State Forest: Bemis Hill, Blueberry Hill and Faunce campgrounds.
- Crow Wing State Forest: Greer Lake campground
- Finland State Forest: Finland campground.
- George Washington State Forest: Larson Lake and Lost Lake campgrounds.
- Land O' Lakes State Forest: Clint Converse campground.
- Nemadji State Forest: Gafvert campground
- Richard J. Dorer State Forest: Snake Creek campground.

For current trail conditions, map downloads, nearby services, and more, check out mndnr.gov/ohv

Appleton Area Recreational Park

(see map on page 33)

29 miles

Open year-round

Contact

Devon Savage, 320-843-5341
devon.savage@swiftmn.us

Parking and trail access

From Appleton, go 1 mile east on Highway 59. Parking is available within the park. Follow highway signs for additional parking.

Meeker County ATV/ OHM Trails

(see map on page 66)

4 miles

Open June 1 to November 1

Contact

Paul Kruse, 320-582-0222

Parking and trail access

From Darwin, go west on Highway 12. Turn south onto County Road 9. Entrance to park is on east side of the road, approximately 6 miles.

Shady Oaks Native Prairie Adventure Trails

(see map on page 83)

6 miles

Open May 1 to October 1

Contact

Gary Thooft, 507-823-4215

Parking and trail access

Located north of the Russell City Park.

Trail Ambassadors make a difference

PRO
TIP

Trail Ambassadors are trained volunteers who monitor the conditions of trails, greet riders, provide information to trail users and educate youth on ATV Safety. Trail Ambassadors hold membership with clubs and volunteer their time to ensure future enjoyment of trails.

Learn how you or your organization can become a volunteer DNR Trail Ambassador at mndnr.gov/trailambassadors or by calling 800-366-8917.

*This map shows ATV,
OHV, Snowmobile
and/or ORV uses on
the Matthew Lourey
and Gandy Dancer
State Trails.*

*Trails are managed for
the shown uses and all
riders must be aware
of sharing the trails
especially on winter
groomed packed snow.*

*Visit the website for
details on other trails
in the state forests.*

SHARED WINTER ATV AND SNOWMOBILE TRAILS

320 Blue numbers indicate snowmobile trail contact number.
For details, visit mndnr.gov/snowmobiling/trailcontacts.html
for more information.

For the safety and enjoyment of all and the protection of our natural resources,
please follow all winter trail rules and etiquette:

- On the Matthew Lourey State Trail and the Nemadji and St. Croix state forest trails, ATVs are only allowed to ride when the air temperature is 30°F or below. This helps us keep trails sustainable and increases safety for everyone.
- You may encounter snowmobiles, ATVs and pedestrians on the trail.
- Approach narrow or winding sections of trail cautiously.
- Give an audible signal and pass on the left when safe.
- Stay to the right at all times.
- Yield to pedestrians and slower trail users.
- Be safe! Stop means stop.
- Watch for traffic at intersections.

Enjoy the Trails

They are built by riders just like you.

Do you ever wonder who designs, builds and maintains more than 3,000 miles of OHV trails in Minnesota? The answer is riders, just like you. They are volunteers who belong to ATV, dirt bike and 4WD clubs—with cities, townships and counties as funding sponsors, who work in partnership with the Minnesota DNR through its OHV Trails Assistance Program, also known as Grant-In-Aid (GIA).

As you page through this OHV Trail Atlas, watch for the names and contact information of the clubs, organizations or government agencies that are connected to the trails through the GIA program. If you don't already belong to an OHV club, consider joining one today.

State and federal dollars that go to clubs and government agencies come from vehicle registrations and a portion of Minnesota's non-refunded gas tax, paid by riders at the gas pump. No local tax dollars go to OHV trails.

—Dave Halsey is a freelance writer and a regional director with All-Terrain Vehicle Association of Minnesota
