Birding Opportunities at Cuyuna Country SRA

Cuyuna Country State Recreation Area is over 1800 acres of second-growth woodlands, ponds and lakes in a setting of rolling hills and old iron-mine pits. These rolling hills are excellent habitat for a wide variety of birds. Nearly 170 species have been recorded during migration and during the breeding season. The Ironton sewage ponds, which are part of the area, provide excellent habitat for a wide variety of water-birds including ducks, gulls, loons and shorebirds. The rare Sabine's gull was seen here and ring-billed gull nest in the ponds. This is one of the few places in the state where ring-billed gull nest. This is also one of the few state park areas where one can see shorebirds – a total of 17 species have been recorded. Nineteen species of warblers occur in the area.

Season and Abundance Key

The **seasons** in the checklist are defined as follows:

Sp (Spring) = March, April, May

Su (Summer) = June, July

Fa (Fall) = August, September, October, November

Wi (Winter) = December, January, February

Abundance codes are defined as follows:

C = Common — present, relatively easy to find

U = Uncommon — observed, may be difficult to find

O = Occasional — may or may not be present in any year

R = Rare — has occurred at least once, may or may not be expected to recur

The names and taxonomic arrangement of species follows that of the Checklist of the Birds of Minnesota (January, 2006), prepared by the Minnesota Ornithological Records Committee.

This checklist contains the names of all birds that have been documented in the park by reliable observers. It was constructed by Robert B. Janssen, Jerry Bonkoski, and the MN DNR-Division of Parks & Recreation using observations of the above, park staff and other observers, as well as Minnesota Ornithologist's Union records and data contained in research reports. If you are interested in the specific sources used for a particular park, contact the Parks Division Resource Management Program Coordinator by telephone at 651-259-5594 or by mail at MN DNR-Parks, 500 Lafayette Road, Box 39, St. Paul, MN 55155-4039.
