BIRD CHECKLIST

LAKE LOUISE STATE PARK

Birding at Lake Louise State Park

The park is an excellent place to view migrating warblers, flycatchers, thrushes and vireos. A walk along the lake provides an opportunity to see waterfowl and shorebirds.

Make sure to take time to visit the restored prairies and grasslands in the park. These areas are excellent habitat for bobolinks and sedge wrens, as well as the rare Henslow's sparrow.
