Birding Opportunities at Lake Shetek State Park

Lake Shetek State Park contains the headwaters of the Des Moines River, an important natural migration corridor. Lake Shetek itself is the largest lake in southwestern Minnesota. The park features a combination of lakes, marsh and woodlands, providing for a wide variety of bird-life. Marsh birds, including rails, sparrows and blackbirds are found in the Webster and Eastlick Marsh areas. There is an observation platform with spotting scope and interpretive signs at Eastlick Marsh. The woodlands are good for spotting warblers, vireos, flycatchers, thrushes, sparrows and blue-gray gnatcatchers. The trail around Loon Island is excellent for migrant species in spring and fall.

Season and Abundance Key

The **seasons** in the checklist are defined as follows:

Sp (Spring) = March, April, May

Su (Summer) = June, July

Fa (Fall) = August, September, October, November

Wi (Winter) = December, January, February

Abundance codes are defined as follows:

C = Common — present, relatively easy to find

U = Uncommon — observed, may be difficult to find

O = Occasional — may or may not be present in any year

R = Rare — has occurred at least once, may or may not be expected to recur

The names and taxonomic arrangement of species follows that of the Checklist of the Birds of Minnesota (January, 2001), prepared by the Minnesota Ornithological Records Committee.

This checklist contains the names of all birds that have been documented in the park by reliable observers. It was constructed by Robert B. Janssen, Jerry Bonkoski, and the MN DNR-Division of Parks & Recreation using observations of the above, park staff and other observers, as well as Minnesota Ornithologist's Union records and data contained in research reports. If you are interested in the specific sources used for a particular park, contact the Parks Division Resource Management Program Coordinator by telephone at 651-259-5594 or by mail at MN DNR-Parks, 500 Lafayette Road, Box 39, St. Paul, MN 55155-4039.

"Equal opportunity to participate in and benefit from programs of the Minnesota Department of Natural Resources is available to all individuals regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, age, sexual orientation, membership or activity in a local commission, or disability. Discrimination inquiries should be sent to the Minnesota Department of Natural Resources, 500 Lafayette Road, St. Paul, MN 55155-4031; or the Equal Opportunity Office, Department of the Interior, Washington, D.C. 20240."

This document is available in alternative formats to individuals with disabilities by calling 651-297-1158.
