March 2004

# Birding Opportunities at Sakatah Lake State Park

This is a premier park in the Minnesota State Park system for birdwatching. Mature forests, fields, marshes, ponds, lakes and shoreline make for highly diverse habitat. Containing a remnant of the "Big Woods," the presence of cerulean warblers, wood thrush, scarlet tanager, ovenbird and Acadian flycatcher attest to the quality of the forest. With only 842 acres, the park supports a wide variety of birds as the total list of 202 species indicates. Sakatah Lake itself is a gathering place for water birds during the spring and fall migration periods. Ducks, pelicans, herons, cormorants and gulls use the lake for resting and feeding.

## Season and Abundance Key

The **seasons** in the checklist are defined as follows:

**Sp** (Spring) = March, April, May

**Su** (Summer) = June, July

**Fa** (Fall) = August, September, October, November

**Wi** (Winter) = December, January, February

**Abundance codes** are defined as follows:

**C** = Common — present, relatively easy to find

**U** = Uncommon — observed, may be difficult to find

**O** = Occasional — may or may not be present in any year

**R** = Rare — has occurred at least once, may or may not be expected to recur

The names and taxonomic arrangement of species follows that of the Checklist of the Birds of Minnesota (January, 2001), prepared by the Minnesota Ornithological Records Committee.

This checklist contains the names of all birds that have been documented in the park by reliable observers. It was constructed by Robert B. Janssen and the MN DNR-Division of Parks & Recreation using observations of Mr. Janssen, park staff and other observers, as well as Minnesota Ornithologist's Union records and data contained in research reports. If you are interested in the specific sources used for a particular park, contact the Parks Division Resource Management Program Coordinator by telephone at 651-297-1158 or by mail at MNDNR-Parks, 500 Lafayette Road, Box 39 St. Paul, MN 55155-4039.

"Equal opportunity to participate in and benefit from programs of the Minnesota Department of Natural Resources is available to all individuals regardless of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, age, sexual orientation, membership or activity in a local commission, or disability. Discrimination inquiries should be sent to the Minnesota Department of Natural Resources, 500 Lafayette Road, St. Paul, MN 55155-4031; or the Equal Opportunity Office, Department of the Interior, Washington, D.C. 20240."

This document is available in alternative formats to individuals with disabilities by calling 651-297-1158.
