This matrix illustrates how Cub Scouts (Bears and Webelos, aged eight to eleven) can meet requirements for Academic and Sports program belt loops and pins by completing lessons and service-learning projects from the *MinnAqua Leader's Guide*.

The numbers in the grid indicate the badge activity numbers related to lessons from the *MinnAqua Leader's Guide*. Each Cub Scout badge lists ten activities. Scouts must complete at least six of these activities to earn the corresponding badge. See *The Cub Scout Badge Book* (Bear or Webelos) for a description of the activities for each badge.
