

Fisheries Management and You!

Game

FM - draws from Fisheries Management card deck
 C - draws from Citizen card deck

End

Start

A large game board area featuring several illustrations of fish: a largemouth bass, a northern pike, a muskellunge, a rock bass, a crappie, and a bluegill. The board is populated with numerous circular tiles. Each tile is light purple with a dark purple border and contains either the letters 'FM' or 'C'. The tiles are arranged in various paths across the board, some encircling the fish illustrations. In the bottom right corner, there are two logos: the Minnesota Department of Natural Resources logo and the MinnAqua logo. Below the logos is the copyright notice '© MN DNR'.
