

# American Basswood

*Back of American basswood card.*

Where in the forest do American basswoods live?

What animals eat American basswoods?

What other animals and plants live in the forest with American basswoods?

In what ways do American basswoods depend on these other animals and plants?

How do American basswoods influence their environment?

# Aster

*Back of aster card.*

Where in the forest do asters live?

What animals eat asters?

What other animals and plants live in the forest with asters?

In what ways do asters depend on these other animals and plants?

How do asters influence their environment?

# Cooper's Hawk

*Back of Cooper's hawk card.*

Where in the forest do Cooper's hawks live?

What animals eat Coopers' hawks?

What other animals and plants live in the forest with Cooper's hawks?

In what ways do Cooper's hawks depend on these other animals and plants?

How do Cooper's hawks influence their environment?

# Coyote

*Back of coyote card.*

Where in the forest do coyotes live?

What animals eat coyotes?

What other animals and plants live in the forest with coyotes?

In what ways do coyotes depend on these other animals and plants?

How do coyotes influence their environment?

# Eastern hognose snake

*Back of eastern hognose snakes card.*

Where in the forest do eastern hognose snakes live?

What animals eat eastern hognose snakes?

What other animals and plants live in the forest with eastern hognose snakes?

In what ways do eastern hognose snakes depend on these other animals and plants?

How do eastern hognose snakes influence their environment?

## Gray fox

*Back of grey fox card.*

Where in the forest do grey foxes live?

What animals eat grey foxes?

What other animals and plants live in the forest with grey foxes?

In what ways do grey foxes depend on these other animals and plants?

How do grey foxes influence their environment?

# Gray squirrel

*Back of grey squirrels card.*

Where in the forest do grey squirrels live?

What animals eat grey squirrels?

What other animals and plants live in the forest with grey squirrels?

In what ways do grey squirrels depend on these other animals and plants?

How do grey squirrels influence their environment?

# Great horned owl

*Back of great horned owls card.*

Where in the forest do great horned owls live?

What animals eat great horned owls?

What other animals and plants live in the forest with great horned owls?

In what ways do great horned owls depend on these other animals and plants?

How do great horned owls influence their environment?

# Hairy woodpecker

*Back of hairy woodpeckers card.*

Where in the forest do hairy woodpeckers live?

What animals eat hairy woodpeckers?

What other animals and plants live in the forest with hairy woodpeckers?

In what ways do hairy woodpeckers depend on these other animals and plants?

How do hairy woodpeckers influence their environment?

## Northern long-eared bat

*Back of northern long-eared bat card.*

Where in the forest do northern long-eared bats live?

What animals eat northern long-eared bats?

What other animals and plants live in the forest with northern long-eared bats?

In what ways do northern long-eared bats depend on these other animals and plants?

How do northern long-eared bats influence their environment?

# Opossum

*Back of opossum card.*

Where in the forest do opossum live?

What animals eat opossum?

What other animals and plants live in the forest with opossum?

In what ways do opossum depend on these other animals and plants?

How do opossum influence their environment?

# Serviceberry

*Back of serviceberry card.*

Where in the forest do serviceberry live?

What animals eat serviceberry?

What other animals and plants live in the forest with serviceberry?

In what ways do serviceberry depend on these other animals and plants?

How do serviceberry influence their environment?

## Spring peeper

*Back of spring peeper card.*

Where in the forest do spring peepers live?

What animals eat spring peepers?

What other animals and plants live in the forest with spring peepers?

In what ways do spring peepers depend on these other animals and plants?

How do spring peepers influence their environment?

# Striped skunk

*Back of striped skunk card.*

Where in the forest do striped skunks live?

What animals eat striped skunks?

What other animals and plants live in the forest with striped skunks?

In what ways do striped skunks depend on these other animals and plants?

How do striped skunks influence their environment?

# Sugar maple

*Back of sugar maple card.*

Where in the forest do sugar maples live?

What animals eat sugar maples?

What other animals and plants live in the forest with sugar maples?

In what ways do sugar maples depend on these other animals and plants?

How do sugar maples influence their environment?

**White oak**

*Back of white oak card.*

Where in the forest do white oaks live?

What animals eat white oaks?

What other animals and plants live in the forest with white oaks?

In what ways do white oaks depend on these other animals and plants?

How do white oaks influence their environment?

## White-breasted nuthatch

*Back of white-breasted nuthatch card.*

Where in the forest do white-breasted nuthatches live?

What animals eat white-breasted nuthatches?

What other animals and plants live in the forest with white-breasted nuthatches?

In what ways do white-breasted nuthatches depend on these other animals and plants?

How do white-breasted nuthatches influence their environment?

# White-tailed deer

*Back of white-tailed deer card.*

Where in the forest do white-tailed deer live?

What animals eat white-tailed deer?

What other animals and plants live in the forest with white-tailed deer?

In what ways do white-tailed deer depend on these other animals and plants?

How do white-tailed deer influence their environment?

## Wild geranium

*Back of wild geranium card.*

Where in the forest do wild geranium live?

What animals eat wild geranium?

What other animals and plants live in the forest with wild geranium?

In what ways do wild geranium depend on these other animals and plants?

How do wild geranium influence their environment?

## Wood frog

*Back of wood frog card.*

Where in the forest do wood frogs live?

What animals eat wood frogs?

What other animals and plants live in the forest with wood frogs?

In what ways do wood frogs depend on these other animals and plants?

How do wood frogs influence their environment?
