

Application for Internship
Department of Natural Resources
Enforcement Division

Minnesota Government Data Practices Notice: Information requested on this form is governed by the *Minnesota Government Data Practices Act*, Minn. Stat., §13.04 that requires the Minnesota Department of Natural Resources (DNR) to provide you with the following notice regarding the information you provide on this form.

Purpose for requesting the data: The data you give us about yourself is needed to: identify you to enable us to contact you when additional information is required, to assist in determining your suitability for the position(s) for which you are applying, and for other purposes deemed necessary in the administration of internship application process

Requirements to provide requested information: You are not legally required to provide the information, however, the Minnesota DNR will not employ individuals, utilize volunteers or assign certain job duties to those who refuse to provide the information.

Identity of those who will receive the data: Minnesota DNR managers, supervisors, human resource staff and others involved in the hiring or internship/volunteer process will have access to the information you provide.
