## Job Summary

This position exists to provide an airborne law enforcement officer for resource protection within the Division of Enforcement, public safety, and to provide professional aviation support to all other disciplines within the department. Responsibilities include:

- Perform aerial surveillance and direct ground-based law enforcement personnel for prevention, detection and apprehension of individuals involved in criminal activities relating to all authorized natural resource statutes and regulations so that an effective and efficient law enforcement program is maintained.
- Provide pilot services and specialized flying techniques so that aircraft utilization is maximized within the Department of Natural Resources and other government agencies as needed.
- Establish flight planning and maintenance practices so that the aircraft is in a flight ready status.
- Fulfill administrative duties as a member of the regional staff so that all aviation consulting, reporting and planning are conducted efficiently and effectively.
- Enforce all statutes and regulations so that natural resources are preserved and the safety of the public is maintained.
- Properly use, maintain and store issued equipment and uniforms so that they are serviceable at all times.

Selected candidates will attend a 15 week training academy at Camp Ripley in Little Falls, Minnesota where you will be expected to live onsite Monday through Friday. Following the 15 week training academy, successful candidates are then required to complete 16 weeks of field training where you will work closely with an experienced Conservation Officer.

## Minimum Qualifications:

To be considered, applicants must possess:

- A valid MN Peace Officer's License; be eligible to be licensed by the [MN Peace Officers Standards and Training Board \(P.O.S.T.\)](#) prior to the time conditional offers are made; or complete basic police training and be certified as a full-time peace officer in a state or federal law enforcement agency with which Minnesota has reciprocity and pass the [P.O.S.T. Board reciprocity exam](#) by the time a conditional job offer is made. \*\*To facilitate proper crediting, please ensure that your resume clearly reflects your P.O.S.T. certification. If not currently licensed, your resume must include the date in which you anticipate becoming licensed.\*\*

- Unrestricted FAA commercial pilot certificate in rotorcraft with instrument rating, a current first or second class FAA medical certificate and a minimum flight time of 500 hours rotorcraft Pilot in Command (PIC).
- Commercial dual rating in both rotorcraft and fix wing aircraft. If selected applicant only has single rotorcraft rating at time of hire, additional rating training will be provided and required for fix wing commercial add on.

Ability to operate aircraft while looking for and recognizing activities which may indicate a criminal act is taking place and the ability to direct ground officers to the suspected activity.

Working knowledge of other law enforcement operations such as local police, sheriffs, State Patrol, Bureau of Criminal Apprehension and the Federal Bureau of Investigation sufficient to provide these operations with aviation support.

Ability to establish and maintain professional working relationships with both internal and external customers.

Oral and written communication skills sufficient to clearly, concisely and effectively communicate legal and non-legal information.

Ability to clearly and accurately observe and record information, read, analyze, interpret and communicate information; detect and analyze information based on sight, smell, sound, etc.

Reading comprehension skill sufficient to interpret law, statutes, etc.

Ability and willingness to carry out the responsibilities of a licensed Peace Officer while performing the job in adverse weather and other environmental conditions and to work unusual, varying shifts including nights, weekends and holidays.

No felony or gross misdemeanor conviction in Minnesota or crime in any other state or federal jurisdiction which would have been a felony if committed in Minnesota.

No other criminal convictions involving serious natural resource violations, crimes involving moral turpitude or two or more alcohol related driving violations for the past ten years. No DWI, reckless or careless driving, or other serious driving violations within the last five years.

In addition to the above minimum qualifications, candidates must pass the general written exam to be admitted to other portions of the exam/selection process.

### Preferred Qualifications:

Commercial license in fixed wing Airplane single engine land - ASEL.

Experience operating a Skiplane or Seaplane.

Additional ratings (multi-engine, seaplane, CFI in airplane and/or rotor wing helicopter).

Experience operating an aircraft for natural resources activities such as conducting aerial surveys and census of wildlife populations, photography, fire suppression, aerial applicator, and mapping for various lands use projects, and utilizing an aircraft for the stocking of fish in remote areas.

Ability to operate an aircraft in specialized manners such as from lakes, rivers, fields or unimproved strips sufficient to meet the needs of all disciplines within the department.

Working knowledge of the operation, capabilities, limitations and maintenance of both fixed and rotary winged aircraft as well as the specialized equipment used for various law enforcement and natural resources missions.

### Physical Requirements

Requires regularly lifting, carrying or moving articles of 50 pounds and occasionally lifting, carrying or moving articles up to 100 pounds maximum. This job may require walking or standing to a significant degree on rough terrain or may involve sitting most of the time with pushing and pulling of arm and/or leg control.

### Additional Requirements

Requires a Class D Driver's License: a single unit vehicle with a gross vehicle weight of less than 26,000 pounds. This is a basic driver's license. Operators may also tow vehicles/trailers as long as the gross combination weight does not exceed 26,000 pounds.

The **written examination** will be held on August 25, 2018 at the following locations:

- Century College in White Bear Lake, MN
- Camp Ripley in Little Falls, MN

Other portions of the process will include: oral interviews and completion of a comprehensive background investigation. Final job offers will be based on passing a medical evaluation, functional capacity exam and psychological evaluation.

**IMPORTANT:** Please review the [disqualification criteria information](#) carefully. You must meet the minimum selection standards before being appointed to a peace officer position under [Minnesota Administrative Rule 6700.0700](#).
