

Aquatic Plant Management Permit Fee Guide

Fee Information: This table is provided to assist property owners with estimating their permit fee prior to being invoiced. Permit Applicant's will receive an invoice from our online MPARS system once DNR staff have received and confirmed your application. **Do not send any fee payments until receiving the MPARS Invoice.**

Control Type	Lake size, if applicable	Fee	Maximum fee per permit
Rooted Aquatic Vegetation (Submersed, Emergent, Floating-leaf)	Greater than 20 Acres	\$35.00 per Property	\$2500.00
	20 Acres or less	\$17.50 per Property	\$1250.00
Duckweed		\$20.00 per Property	\$200.00
Snails, Leeches, Chara, Filamentous Algae Control		\$4.00 per 100 feet section of shoreline <i>Example: Less than 100 feet = \$4.00 100-199.99 feet = \$8.00</i>	\$200.00
Lakewide Algae Control		\$20.00 plus an additional \$0.40 per Acre <i>Example: 25 Acres = \$20.00 + (25 x \$0.40)= \$30.00</i>	\$200.00
Offshore Harvest of Submersed Plants (more than 150feet from shore)	>20 Acres	\$35.00 for 1 st Acre plus \$2.00 each additional Acre <i>Example: 150 Acres = \$35.00 + (150 x \$2.00) = \$335.00</i>	\$2500.00
	≤20 Acres	\$17.50 for 1 st Acre plus \$1.00 each additional Acre <i>Example: 15 Acres = \$35.00 + (15 x \$2.00) = \$65.00</i>	\$1250.00

If two or more treatment types are selected ONLY THE LARGEST FEE WILL APPLY.
