

Jack Pine

Pinus banksiana

- Best to collect after September 5
- Do not collect cones with insect bore holes
- New ripe cones are tan
- Old cones are gray and are collectable if bore holes are not present
- Not all jack pine cones are serotinous; some cones might be open – do not collect or purchase open cones
- Straight, un-hooked cones are preferred
- Cones should be free of stems
- Do not over fill or pile gunny sacks
- Sacks should weigh less than 50 pounds, for handling
- Transfer cones to Badoura Nursery weekly

Notify Badoura Nursery at 218-652-2385 as you begin collecting and purchasing cones. Call if you have ANY questions.
