You don't often get email from jbonner@geiconsultants.com. [Learn why this is important](#)

This message may be from an external email source.

Do not select links or open attachments unless verified. Report all suspicious emails to Minnesota IT Services Security Operations Center.

This message is in support of the US Steel Keetac Tailings Storage Facility Project. The project will result in improved dam safety with increased factors of safety and the project is a win-win from a dam safety perspective.

Thanks very much,

GEI
